2013 COACHES BOOK

ESCONDIDO GIRLS SOFTBALL LEAGUE COACHES LETTER

Dear Coaches,

Welcome to the Escondido Girls Softball League 2013 season. Thank to our returning coaches and new coaches for volunteering and making a difference in a young girl's life.

Our league has never had to turn away a girl from playing because of the lack of volunteers and we THANK YOU for your help.

There are many new and exciting rules and changes that the board members have been working hard at for the last 4 months. We are trying to keep up with all the new rules that ASA has set, and work on keeping our league a learning environment for our children.

The most important thing to remember as a coach is to teach the girls the skills of softball, working together as a team, and to respect their teammates and other teams. Winning should NOT be the main goal. You, as a coach, make the difference! If the girls enjoy softball and have fun, they will return year after year.

Please contact any board member if you have questions or need help. Your ideas and suggestions are always welcome.

We look forward to meeting you and wish you a great season!

Sincerely yours,

Escondido Girls Softball Board of Directors

ESCONDIDO GIRLS SOFTBALL LEAGUE COACH INFORMATION

EGSL Recreational Season 2013

EGSL COACHING APPLICATION & ASA BACKGROUND CHECK

Per ASA, all adults who will have direct contact with the players via coaching on the field during games, warm-up and practice, in the dugout and during any team event must pass an ASA background check once a year.

Each adult must complete the following paperwork for EGSL:

- EGSL Application for Coaching
- EGSL Coaches Code of Conduct
- ASA Notice of Background Check(2pgs)
- Driver's License form

Packets containing 4 copies of all the coaching paperwork and a Coaching Roster will be distributed at the coaches meeting. Additional copies may be downloaded from the website.

Due Dates: *Feb 2nd 9:00 - 11:30am* at Kit Carson Park rain or shine. All Forms. Any person not listed on the roster on this date will be ineligible for the season.
Feb 9th 9:00 - 10:00am at Kit Carson Park rain or shine. All missing information. Anyone after this date with missing information will be removed from the roster and will be ineligible for the season.

EGSL will pay for ASA Registration for 3 adults per team. Additional coaches will cost \$TBD per person.

An ASA picture ID card will be provided for each head coach and their main assistant. The others background checked on each team will be provided with a non-photo card. These ID cards should be visible during games by those coaching on the fields. The others should have their cards available if asked for them. Those holding the non-photo cards will also be require to produce a picture ID to confirm their identity. Cards will be given to only the person to whom it belongs to or their spouse.

JR. COACHES

All persons under 18, who wish to help coach a team, must also fill out the Coach's Application, include their birthdate (a parent must sign it) and complete the Coach's Code of Conduct. The Head Coach must fill in their duties and also sign the form. They must also provide a copy of one of the following forms of identification: School ID card for the current school year, current ASA card or their birth certificate.

KEY FOR THE PRACTICE BASES

A key for the green box holding the practice bases will be given to new coaches at draft. The key is the same one used last year.

COACHING CLINCS

All head coaches will be required to attend coaching clinics provided by EGSL, dates and locations to be determined.

ALL STAR SELECTION

The head coach and 2 assistant coaches for each EGSL All Star team, are required to pass the ACE Certification prior to the first All Star game and be able to show proof of the certification in order for the team to be eligible for All Star play. Info regarding ACE certification will be provided to the head All Star Coach at the end of REC. season.

TEAM CHECK

Each team will be checked at least once and possibly more during the season, to ensure that only those who have been background checked are working with the players. These checks may be at either practice or during games. Each time a team is checked a record will be kept. Anyone found not in compliance will be asked to leave the area and become a spectator. Each instance will be considered a violation. All violations will be noted and the coach and team parent will be informed. Upon the 2nd violation, the coach will be warned that if there is a 3rd, they will be suspended for 1 game. Each violation after that will also result in a 1 game suspension.

ESCONDIDO GIRLS SOFTBALL LEAGUE 2013 PRACTICE FIELDS & GAME SCHEDULES

Chuck Kincade
Scheduling Director

Home: 858-592-0789 **Cell:** 858-395-1180
9 am - 8 pm

Email: ScheduleDirector@egsl.org

Please contact me via e-mail for any questions, comments, or problems so that you can adequately explain the issue and I can forward the issue to the appropriate person for resolution. If the question, comments, or problems are urgent (such as field lights or umpire availability), you may call me on my cell phone.

PRACTICES

- All practice sessions for 8U through 14U teams may be reserved in two (2) hour blocks. Practice sessions for T-Ball teams may be reserved only in 1 hour blocks.
- We are currently working on implementing an automated on-line practice field reservation system, where each head coach, or their designated alternate, may directly reserve and cancel practice slots for their team from the EGSL website.
- Should the automated on-line system not be available in time for Pre-Season, we will implement a web-based practice schedule where each head coach, or their designated alternate, can view their reserved practices and can check for open practice slots for additional practices. This will require that you check the schedule and e-mail me your desired practice slot. I will reply to your e-mail whether or not the practice slot is still available. For this system, only the Scheduling Director will enter and delete practice slots.
- The practice fields (Fields 2, 3, 4, & 5) that are available are shown in the following map. Three additional areas in the outfield of Field 2 will extend the number of areas where teams may practice. I will attempt to assign the Field 2 outfield practice areas only once per team per week; so that the other practice field during the week will have an infield.
- The available practice times are 5:00 to 7:00pm for lower division teams (8U and 10U), and 7:00-9:00pm for upper division teams (12U and 14U). Practice times for T-Ball teams are 5:00-6:00pm and 6:00 to 7:00pm.
- The softball field at Washington Park will be available for practice on Mondays and Wednesdays, beginning February 1. The available times for practice are 5:30-7:15pm and 7:15-9:00pm. Escondido Charter High School has been assigned the field from 3:00-5:30pm.
- According to EGSL rules, teams are limited to a maximum of three (3) games or practices per week. Any additional practices are considered to be optional for the players.

Pre-Season Practice:

- The Pre-Season extends from the Saturday after the Draft until Opening Night - this year it will begin on January 26 and will end on February 22. After Opening Night, all pre-reserved practice field schedules will be terminated and the Recreation Season practice rules will be implemented.
- Each coach will have the opportunity to reserve practice fields on the night of the Player Draft.
 - 14U - Before Draft
 - 12U - After Draft
 - 10U - Before Draft
 - 8U - After Draft
- T-Ball - The day after the Player Drafts have been completed, the T-Ball teams may request practice fields via e-mail.
- Each team will be assigned one to two Kit Carson fields for team practices. Additional practice slots will be reserved on a first-come, first served basis, and may be reserved 7 days in advance. A team may not reserve more than three(3) practices in a week. However, should a practice field not be reserved the day before it is to be used, that field may be reserved without limitations. Practice above and beyond three (3) will still be optional for the players.

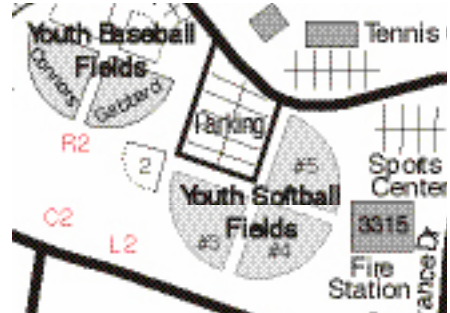

- Saturday practices will be assigned the same manner as week-day practices. Sunday practices are open to first come, first served in compliance with EGSL rules.

Recreation Season Practices:

- The Kit Carson fields will be available on Monday and Thursday nights, and the Washington Park field will be available on Mondays and Wednesday nights. Practice fields during the Rec Season will be reserved weekly on a first come, first served basis, and may be reserved 7 days in advance. A team may not reserve more practices once they have 3 league events (games and practices) in a week. However, should a practice field not be reserved the day before it is to be used, that field may be reserved without limitations. Practices above and beyond three (3) events will still be optional for the players.
- If during the season, the fields are closed due to rain, the games will be rescheduled to Monday and Thursday nights, and any practices scheduled for those days will be voided.
- See me to discuss alternate practice sites. Please remember that even though one team has been granted permission to practice on an alternate site that does not mean that other EGSL teams may also practice there. Permission must be given in writing by the landowner and the league for each team. There is a permission form specifically for alternate practice sites, these must be signed by the land owner/administrator and the league for each team that will use the alternate field.

GAME SCHEDULES

- The Recreation Season games begin Saturday, February 23, and run through May 11. The Game Schedule will have games on Tues., Wed., Fri., & Sat., reserving Mondays and Thursdays for practices and rescheduled rain-out games. Typically each team will have two (2) games per week, one on a week-night, and one on Saturday. Due to scheduling issues, this rule may not be followed, and a team may have 2 week-night games, and no Saturday game. A team will not be scheduled with 2 games on Saturday.
- The goal is to publish the Game Schedule two weeks prior to opening day. Once the schedule has been published, game changes will only be made because of rain outs or umpire unavailability.
- We have previously allowed each coach to request dates when their team will not be scheduled for games. These requests will no longer be accepted. Special school events that are routinely scheduled for the 14U players will be taken into account in creating the game schedule.

LIGHTS

- Lights will be prescheduled for all practices and games. Please notify me 24 hours in advance, if possible, to cancel lights for your practice. You will be charged \$16.00 per hour for lights left on the field you were scheduled to practice on.

ALTERNATE PRACTICE SITES

- Coaches may use alternate practice fields that are not administered by EGSL. Each team that uses an alternate field must get permission, in writing, from the landowner. The league has created a Request for Alternate Practice Field form specifically for this situation. This form must be filled out and signed by the requesting coach, and signed by the landowner or administrator, the Division Director, and the Scheduling director. Once all signatures are obtained, the requesting coach shall submit the form to the Registration Director.
- Fields located at schools in the Escondido Union School District are assigned by the Escondido Department of Recreation and may not be used by EGSL.
- Please remember that even though one team has been granted permission to practice on an alternate site, that does not mean that other EGSL teams may also practice there, unless they have also filled out an Request for Alternate Practice Field form.

Scorekeeping is crucial to the game. We go by what the Official book says, not just the score. The home team **MUST** provide an official scorekeeper. Each team needs at least one scorekeeper. We are holding this year's scorekeeping clinic during a practice game. The first part of the clinic will be reviewing scorekeeping notations, and expectations. You will get to score a practice game in the second part of this clinic.

Topics covered will include:

Proper way to prepare scorebooks for game

Keeping track of score

Who was the last batter?

Balls and strikes

Hits vs. errors

Tracking the runners on base

Batting out of order

Rules for individual age groups

Participation rules

ESCONDIDO GIRLS SOFTBALL LEAGUE

RULES 2013

- 3) A female, 18 years of age or older, must be at all team gatherings including practices and all team social gatherings. The head coach will be held responsible for any infractions and will be accountable to the Board. The Board may elect to remove the head coach if there is one or more infraction.
- 4) Individuals under 18 years of age that wish to coach must receive Board approval. Individuals under 18 years of age wishing to coach bases must wear an EGSL approved helmet and receive permission from the field duty person prior to going onto the field. (If individual is under 18 but has Board approval to coach, he/she does not have to get approval from the field duty person to go onto the field, but he/she must wear an EGSL approved helmet on the field.)
- 5) Any member of the coaching staff who is ejected from a game, whether it be regular season or playoffs shall be suspended for the remainder of that team's game and must leave the premises (with the exception of the outfield foul pole and the parking lot) immediately for the remainder of that game and the following game for that team. Before, during, and after the game, the coach may have no contact with the members of the team for the second game. Any coaching staff member ejected from a second game of any EGSL sanctioned games (home or away) will be removed from the coaching staff for any EGSL team for the rest of that same season. He/she must request and receive written permission from EGSL to return to coaching.
- 6) The coaching staff is responsible for their players wearing proper clothing and using equipment properly at all team functions to minimize chances of injury.
- 7) Any coaching staff member that quits voluntarily will not be reinstated in any division on any team that season. In extreme cases, a coaching staff member who quits may be reinstated with Board approval.
- 8) Any member of the coaching staff who does not meet their participation obligation for at least 2/3 of the season may be suspended from coaching; length to be determined by the Board. It is the responsibility of the Division Director and Player Agent to monitor participation.
- 9) Any coaching staff members may be removed from their positions by a majority vote of the Board for any of the following reasons, but not limited to:
 - a) Poor sportsmanship by coaching staff,
 - b) Poor choice of cheers by team player(s),
 - c) Foul and/or abusive language,
 - d) Chronic no shows for practices and/or games,
 - e) Drinking alcoholic beverages and/or using illegal drugs on the playing complex, or being under the influence at any team function,
 - f) Lack of moral character,
 - g) Mentally and/or physically abusive,
 - h) Violations of League or ASA rules.
- 10) Any coaching staff member, after exhausting all efforts, has the option of expressing a problem with a player or a member of the coaching staff to the Division Director and Player Agent. If the Director or Player Agent feels there is cause, they may call for a closed hearing of the Board.
- 11) It is the coaching staff's responsibility to inform both the Division Director and the Player Agent immediately of any player who has two unexcused absences (games and/or practices), and the player will be warned.

- 
- 12) No player can be dropped from any team without written Board approval. Players who are dropped must be replaced with the next player on the waiting list by going through the Division Director and Player Agent.
 - 13) All players added must go through the Division Director and Player Agent. After 1/2 of league play is over, the team roster must drop to nine players or less in Division 14U and ten (10) players or less in Divisions 10U and 12U to add a player.
 - 14) It is the responsibility of the Division Director and Player Agent to inform the Board in writing of any and all team roster changes.
 - 15) All coaching staff members are responsible for their team equipment. All issued equipment must be turned in at the conclusion of their team's last game. In the event that equipment is not returned in the proper order when requested, the coaching staff will not be allowed to coach the following season. This is subject to Board review upon written request.
 - 16) Teams are limited to a maximum of three mandatory team games or practices per week (Monday -Saturday). Additional practices or functions will be optional (no penalties). Sunday practices are optional only. A practice is defined as any gathering of a coach, or an assistant coach, and three or more players where exercise or instruction is given.
 - 17) Travel ball coaches are not allowed to coach in any capacity in their travel age classification and must have Board approval to coach any other division.

NON-PLAYING RULES

- 1) All players will wear uniforms as issued, with approved black shorts/pants. When at bat, player's number must be visible. All players must wear non-metal cleats.
- 2) Players may not wear any jewelry during games, pre-game warm ups, or practices; ASA rules and the umpire have the final say.
- 3) Discipline of players: A player may be benched (not allowed to play at all) in a given game for an action the head coach feels is a flagrant violation of player rules or player conduct during team functions, pre-game warm up, or game. The head coach must notify the opposing team's head coach and the field duty person prior to the game or during the game, whichever is the appropriate timing. The benching of a player must be submitted in writing to both the Division Director and Player Agent within 48 hours of the benching, stating reason. Failure by the coaching staff to follow this rule will result in coach being suspended from that team's next game. The documentation will be presented to the Board for review at the next Board meeting. Benching of a player may be for any of, but not limited to, the following reasons:
 - a) Poor sportsmanship,
 - b) Poor choice of cheers,
 - c) Foul language,
 - d) Abusive language,
 - e) Violations of league rules, violation of ASA rules, or written parent's request as a form of punishment.
- 4) A player may be dropped from a team after three unexcused absences at the request of the head coach if, after viewing the circumstances, the Division Director and Player Agent approve, and the decision is ratified by the Board. An unexcused absence is when a player does not tell the head coach in advance that she will not be at a team practice or game, and the head coach feels that the reason is not valid. It is strongly recommended that the head coach talk with the player and parents and make every effort not to drop a player.
- 5) Players will only be eligible to try out for an All Star team in the division she played in that season.
- 6) Due to insurance restriction, teams will practice on assigned and/or approved fields both during practice season and regular season. Due to insurance reasons, no team practices are allowed until current league equipment is issued. Any field other than the one assigned must be approved in writing by the Field Director and filed with the insurance agent prior to any practices being held. Violation of this rule will result in removal of head coach from the team pending Board review. Any coach having a practice field other than those assigned by EGSL must have a letter of authorization from the owner or manager of the field, stating dates and times of authorized use. This letter must be on file with EGSL.
- 7) Upon written request by the parent, with a reasonable reason, the Board may elect to give a partial or full refund to a player. No refunds will be issued after the second week of the season.
- 8) No smoking will be allowed in the softball complex. Smoking is allowed only in the parking lot. Failure to comply will result in automatic ejection from the complex.

**PLAYING RULES**

ALL RULES AS WRITTEN IN THE ASA RULE BOOK WILL APPLY, UNLESS HEREINAFTER AMENDED. ASA FAST PITCH SOFTBALL RULES FOR WOMEN AND GIRLS WILL SUPERSEDE ANY SIMILAR RULES ELSEWHERE IN THE RULE BOOK.

T-BALL:

- 1) Players will be five and six years old as of January 1 of the current rec. ball season year.
- 2) Coaches may reserve maximum of six players. T-Ball/18U Director to fill the rest of the team.
- 3) Game time is starting time.
- 4) Four innings or up to one hour time limit. *One inning consists of one bat around (entire line up.) Coaches: Reverse order of batting each inning. Outs will be counted and runners will be removed from bases after three outs.
- 5) No more than two defensive coaches and no more than three offensive coaches on the field from either team at any given time.
- 6) A ball that is hit off the tee must go at least four feet (4') or be a fielded ball in order to be a live ball.
- 7) Positions must be rotated. Each player must play 1/2 game infield. Outfield will be defined by the drawn chalk line and outfielders should play behind this line.
- 8) All catchers will wear catcher's helmet with face guard.
- 9) Bases will be at forty-five feet (45') with a safety base at first base.
- 10) If batter is put out, he/she returns to the dugout.
- 11) In the beginning of the season the batter will hit off the tee, as of T.B.A. date the batter will receive the option of two soft toss pitches from their coach.
- 12) All players must wear closed toe shoes.
- 13) No extra bases on an overthrown ball.
- 14) Only EGSL issued rubber foam bats will be allowed for practice and games.

ALL DIVISIONS, EXCEPT T-BALL:

- 1) If a game is tied and the time limit has not expired, additional innings will be played, provided no new inning begins after the time limit has expired. If still tied, each team will be credited with one-half game won, one-half game lost.
- 2) All batters must wear a protective approved helmet from the time they enter the playing field as a batter until they return to the dugout. This includes on deck, running, and on bases. Failure to do so will result in a team out. All helmets must have face masks and chinstraps. Chinstraps must be properly worn and secured. It is the responsibility of the coaching staff to insure that equipment is in good order before a game, and that players know how to put on and remove helmets without breaking straps.
- 3) Will "bat" all players on the roster that are present with "free" substitution.
- 4) A team may play all or any part of a game with less than nine players. (See "Pick Up Rule" in specific division.) The game will not be forfeited unless the team with less than nine players elects not to play.
- 5) Games that are rained out will be rescheduled, if possible. If games cannot be rescheduled, each team will be credited with one-half game won and one-half game lost. Teams with the highest number of rained out games will have first priority in rescheduling games. In case of a tie, a coin toss will determine which team will be rescheduled first.
- 6) All early departures by players will be brought to the attention of the umpire and opposing team coach. The departing player will constitute one out for their next at bat only. If coach doesn't bring it to the attention of opposing coach and umpire, they take another out, if already have two outs, the next inning shall start with one out.
- 7) Each player must play a minimum of every other defensive inning during every league game. A defensive inning consists of three consecutive outs. (Umpires are not responsible for substitutions; that responsibility lies with the head coach.) Failure to comply may result in the offending team's forfeiting the game.

- 8) Each team must turn in their line-ups to the opposing team ten minutes prior to game time.
- 9) One pitch, either warm-up or official, constitutes an inning pitched.
- 10) Any team that violates the pitching limitation rules will forfeit the game in which violation occurred.
- 11) All catchers must wear full protective gear: mask, shin guards, chest and throat protectors, and helmets.
- 12) Intent to protest the game based on rule interpretation must be made to the umpire before the next pitch. Immediately after the umpire is notified, it must be logged in the official score book and signed by the umpire. To become an official protest, the official protest form must be completed and submitted to the field duty officer within 48 hours after the game began. The official protest must be accompanied by \$30.00, which is refundable if the protest is upheld.
- 13) In case of rain or other occurrences that may affect the condition of the fields, the Board Member who has been assigned field duty will determine if the field is playable to begin games. If this decision is made in advance, Division Directors will be notified and they will notify the appropriate head coaches. Once a game has begun, the umpires will have sole authority to suspend play if they determine the field unplayable or dangerous; this is a judgment call. If the game is official according to the number of innings, 8U & 10U = 3 innings, 12U & 14U = 4 innings as an official game, the game will be considered over. If less than the designated number of innings have been completed, the game will resume at a later date, from the point it left off when the game was called. The Field Director will determine when the game will be continued.
- 14) All teams will make playoffs.
- 15) In the event of a tie in the seeding of playoff berths, seeding shall be determined first by the head-to-head game winner and, if still tied, by the flip of a coin or drawing of straws. Division Director is responsible for coin toss. If three way tie, will draw straws.
- 16) Courtesy runners may be used for the active pitcher and/or catcher only and only when there are 2 outs. The courtesy runner will be the last out unless that person is the active pitcher or catcher. In that case the next previous out will be used as a courtesy runner.

8U DIVISION:

- 1) Pitching distance: 30 feet.
- 2) Pitching time: Maximum of two innings.
- 3) Teams will play five innings, with **no new inning to begin after one hour and 20 minutes.**
- 4) Four runs maximum per inning per team.
- 5) There will be no mercy rule and, if behind and the home team can't catch up when time expires (because of run limit), the game will end.
- 6) Will play ten defensive players, with the tenth player as an outfielder playing ON THE GRASS.
- 7) Base runners may advance (steal) at the risk of being put out - only one base per pitch. (When awarded first base, player may not advance to second base until after the next pitch.) Once a runner gets to third base, the ball must be put into play by the batter in order for the runner on third to go home.
- 8) There will be no infield fly rule.
- 9) Pickup rule: If a team will not have enough rostered players to field a team for any regular scheduled or league rescheduled game (not including playoffs) the coach should contact the Division Director and the coach will be allowed to pick up a maximum of three players from any team in the T-Ball Division. (If a team will only have eight players, two players from T-Ball can be picked up.)
 - a) **The players being "picked up" must be approved by both age group Division Directors and the coach of the team(s) the pick up players normally play on, or if the Division Director is not available, after attempted contact, the board member on field duty may make an approval and will notify the Division Director of this approval.**
 - b) If pickup players are necessary, you cannot exceed the team maximum of ten players per team.
 - c) The every other inning rule does not apply to pick up players. The coaching staff must make this clear to the pickup player before the start of the game.
 - d) Once game has commenced, pick up players cannot be added.
