for Teens:**

Applications for teens from the ages of 12 and up will be available starting May 1 and are due back no later than May 19. Volunteers will be notified when the orientation and training days are to take place. Teen volunteers are an important part of our library all year long, but during the summer their assistance and participation helps our programming in a huge way and is a great opportunity for schools and the library to partner together to get those community service hours.
