

GAME SCORES

Tutorial – Entering in game scores for softball

Either team can enter in scores and it will then be posted on the website.

This message was sent to mplocke@redmond.gov on Thursday, September 26, 2013. You are receiving this email because you are a registered TeamSideline.com member or you are participating in a Redmond Parks and Recreation Sports program. If you no longer wish to receive email from Redmond Parks and Recreation Sports, please [click here](#) to unsubscribe.

You should receive an email that looks like this. Click on the "Score This Game" link and it will open up a new window. You should receive TWO EMAILS because softball plays double headers. You will receive the first email after completion of the first game and then a second email for completion of the second game.

Enter scores in the **YELLOW BOXES**. If you are the away team then you would enter them under the Away Section like it shows here. Make sure to match your score to your team name.

PLEASE MAKE SURE TO READ CONTENTS OF EMAIL. You should be only able to score games under your section, which has two boxes that are filled yellow. Game one should be the earliest email received and then game two should be the email received later. **When entering in scores be sure to match up your game score with your team name and your opponents score with their team name.** As you can see in the picture since PANDAS scored "12" runs the box directly to the right of their name has "12" in it. Same with team NINJAS, since they scored "5" runs then the box directly to the right of their name has "5" in it. To save the scores click the Score button.

If there are disputes about scores you can email the following people.
