Spring Registration:

Discussed registration, dates, fees, hanging banners, and e-fliers for schools. Registration will open on Black Friday November 29 with special \$5 coupon for that day only and will run thru January 25th for regular fees. Late registration closes February 29. Discussed TBall fees (Table). Games start March 14. IF a player thinks, they will play AAA and up – they must attend Player Evaluations. 50% discount to Board members to help get people to join board.

Player Evaluation:

Evaluations will be held at the CBP on January 25th with a rain date of February 1st.

Spring Training Clinic:

Discussed dates for clinic and possibility of having two separate times to split up ages.

Spring Uniforms/Sponsors:

Courtney will look into cost of putting last names on back of uniforms. Confirmed we will be removing sponsors on back of shirts. New ideas of sponsors buying a “shout out” (announcement at games) and possible “Dugout” banners.

CBP Snack Bar:

Went thru list of families for possibility of asking for help with running. Todd noted. Discussed not having a snack bar at Colfax if no help. No snack bar would definitely affect income and moral. Table.

Misc:

Discussed adding positive events/stats to website to shine light on players/sponsors who stand out. (ex: home runs or sportsmanship) * Bill Groth is still working with ARD on improvements to SPRP. * Andrea Harrison sent request for baskets/donations for Green Machine event. * D11 needs a Treasurer/open position. *Vendors Night 11/20 @ 5PM EV Cain.

The next Board Meeting is scheduled for Monday November 4, 2019 at the Pizza Factory in Colfax, CA.
