

Birth Certificate Requirements

All Birth Certificates

Within one (1) week of registration with OKC United Futbol Club, it is required that an original certified birth certificate be reviewed to confirm the player's age. This is a one-time requirement.

In order to accomplish this requirement you have 2 choices:

1. Email a quality scan of the original (government issued) birth certificate showing the certification seal/stamp to: Ryan.richter@okc.gov
2. Bring the original birth certificate to the OKC United FC office for review.

The office is located at 420 W. Main St., Oklahoma City, OK on the Second Floor.

Can't find the birth certificate?

Was your Child born outside of the USA?

If your child was born outside of the United States (even if they are a USA citizen), US Soccer and FIFA require additional documents to be submitted and approved before your child can play.
