Note: Managers will be required to attend WAGS Manager Clinics. Further, any manager or coach that would like to be considered to coach or manage a post-season All Star team may be required to attend an ASA Ace Clinic. Please check the wags website for dates & locations.

Managers are chosen by the following process:

Interested candidates should complete this application and mail or email it to WAGS, attention of the appropriate Division Director. The committee for coaching and player development will review the application along with the Division Director and forward a list of candidates to the WAGS Board of Directors. The Board will meet and select the managers.
