Inclement Weather **Text Alert**: "Text Alert Sign Up"
Website: www.teamsideline.com/lincolnne

1. SEASON INFORMATION

- a. Hopefully you chose your league wisely...if you're in a league that is not at your skill level, there may not be an opportunity to switch leagues during the regular season. We have provided guidance with definitions of each league explaining the different skill levels on the website. It can be found under: Downloads/Adult Softball/League Definitions.
- b. When setting up leagues and divisions, the Team Sports Office reserves the right to combine or adjust leagues due to registration numbers and previous team history. Not all leagues are offered every night.
- c. Season Timeframes
 1. SUMMER: Season play will begin on April 13th with a tentative end date of late July or early August.
 1. M-F leagues will play 8 regular season games with a double-elimination tournament.
 2. Sun leagues will play 6 regular season games with a double-elimination tournament.
 2. FALL: Regular season play will tentatively begin mid-August with a tentative end date of mid-October.
 1. All leagues will play 6 regular season games with a single elimination tournament.

2. WEATHER

- a. We will cancel games if the earliest game time temperature is projected to be 32 degrees or below.
- b. Every effort will be made to make up rain out games, but the Team Sports office retains the right to cancel games should sufficient dates not be available. Make-up games may be played on a different night or field they were originally scheduled, or teams might play a double-header on the same night but different field.
- c. If 35 minutes or 4 completed innings of the game have been played when game is stopped due to inclement weather, game will count as being played and will not be rescheduled.
 1. REGULAR SEASON: Games not considered regulation will be restarted from the beginning.
 2. TOURNAMENT: Games not considered regulation will be picked up where the game left off when it gets rescheduled. Team captains should present their scorebooks to the umpire or field supervisor for clarification and instructed about policies for completion of rain suspended games.
- d. If a game is delayed due to weather, the site supervisor will pull the players off the field. All sites will go by the "30/30 rule". This rule states: Take appropriate shelter when you can count 30 seconds or less between lightning and thunder. Remain sheltered for 30 minutes after the last thunder. This means when site supervisors see lightning strikes in the sky that is less than 30 seconds apart from each other, the games in progress will be officially delayed and players will be asked to seek shelter. Games will be delayed 30 minutes after the last lightning strike. DO NOT LEAVE THE AREA UNTIL THE SITE SUPERVISOR CANCELS THE GAME!! If players leave and the game resumes, the team could face a forfeit, and the game will not be rescheduled!
- e. If ballfield lights are turned off by the supervisor, that is the signal that games are cancelled for the rest of the night.
- f. We will refer to The National Weather Service website and follow the standards for the Wet Bulb Globe Temperature (WBGT) for extreme heat. We will cancel games if the WBGT number is 88 or greater at the beginning of game time. <http://www.weather.gov/oax/wbgt>

 - 1. Individuals may play on as many teams as they wish. If any schedule conflicts occur, no changes will be made. Individuals must decide in which game they will participate.
 - 2. Players must be 18 years of age and out of high school.
 - 3. For competition's sake, and with approval, we do allow some crossover of gender in leagues.
- b. Men's Church
 - 1. Each player must be a member of or attend the church for which he/she is playing; however, each team may be allowed to use a maximum of 2 non-members if that church would otherwise be unable to field a complete team for the season. The one exception would be if a church cannot fill a full team, two or more churches may combine to form one team. The non-members shall be designated on the team's roster.

7. GENERAL LEAGUE RULES: MEN'S & WOMEN'S

- a. Stealing is allowed in Men's and Women's Leagues. Stealing is permitted if the runner does not leave the base UNTIL the ball lands or contacts the glove after crossing the front edge of home plate. Any ball landing in front of or on home plate is a DEAD BALL and runners cannot advance.
- b. Number of Players Needed for Men's/Women's Games:
 - 1. 10 players on the field. Up to 14 can bat.
 - 2. The 14 players in the lineup can rotate in to play defense unlimited times in between innings.
 - 3. Any number of players over 14 would be considered substitutes and would have to replace current players in the lineup and field. (See XX. SUBSTITUTION)
 - 4. Any late arriving players will be placed last in batting order until the team has batted through the lineup once. If a player arrives after the team has batted through the lineup, they will only be able to enter the game as a substitute.
 - 5. If men's or women's teams play with the shorthanded rule (9 players), no OUT will be assessed for the 10th position.
 - 6. If a player leaves the game for any reason (i.e. injury/go to work), no OUT will be assessed. The game will continue if the team has a minimum of 9 players. (The exception is an ejection).

8. GENERAL LEAGUE RULES: COED

- a. No stealing in Coed Leagues.
- b. Teams may have 14 in the lineup, but genders need to alternate. An OUT will be assessed if ANY gender bats back-to-back.
- c. Coed teams may start with 9 (shorthanded), 10, 12, or 14 players. Games may NOT begin with 11, or 13 players. (5 men & 5 women / 6 men & 6 women / 7 men & 7 women).

- d. If a coed team starts a game with 9 players (under the Shorthanded Rule), an OUT will be assessed when the 10th batting position is up to bat.
- e. If a team loses a player during the game, a team may play with an odd number, but with an OUT being assessed.
- f. The 14 players in the lineup can rotate into the game to play defense unlimited times in between innings.
- g. Any number of players over 14 players would be considered substitutes and would have to replace current players in the lineup and field.
- h. Number of Players Needed for Coed Games:
 - 1. 10 Players: Defense needs to have the following:
 - 1. Pitcher & Catcher - One of each gender
 - 2. Infield & Outfield - Two of each gender
 - 2. 9 Players (shorthanded): An OUT will be assessed when two of the same gender bats back-to-back. Defense needs to have the following:

OPTION 1:

 - 1. Pitcher & Catcher- One of each gender
 - 2. Infield - Two of each gender
 - 3. Outfield - At least one of each gender

OPTION 2:

 - 4. Pitcher & Catcher- One of each gender
 - 5. Infield - At least one of each gender
 - 6. Outfield - Two of each gender
 - 3. Any walk to a male batter will result in a two-base award. The next batter (a female) will bat. EXCEPTION: With two OUTS, the female batter has the option to walk or bat. NOTE: Should the female batter-runner pass a male batter-runner when choosing to walk, no OUT shall be called during this dead ball period. A male batter-runner advancing to second base without touching first base shall be called OUT if properly appealed. This includes extra innings: if a male batter receives a walk in the extra inning(s), it is treated just as it was during regulation play and that batter goes to 2B. When the offensive team has 2 OUTS, the female has the option of hitting or walking.
 - 4. An arc or “mowed line” will be placed 200 feet from home plate. The arc will extend from the left field foul line to the right field foul line. All outfielders will be required to remain on or behind this line until the ball reaches the plate. If in violation of the arc and the ball is not put into play, there is no penalty. If the ball is put into play while there is an arc violation, the offensive team shall be given the option to take the result of the play or have the batter re-bat with the same BALL and STRIKE count. The umpire will signal a DELAYED DEAD BALL and let play continue. When play is ceased, the umpire will converse with the offensive captain and give them their option. If batter reaches first base and all runners advance one base, play shall continue with all runners being liable to be put OUT.
 - 5. An infielder who defends the area of the field around first, second, third, or shortstop, must start on the dirt until the pitch crosses the plate or the ball is hit. For purposes of appeals and infield fly rule, the pitcher and catcher are also considered infielders.

9. GROUND RULES

- a. Teams are responsible to pay **\$13** per team CASH (only) to the umpire before the start of the game. Failure to pay will result in a forfeit.
 - 1. Payment is due prior to the coin flip.
 - 2. If a team does not have their money, the opposing team can implement the 10-minute grace period to allow the team that doesn't have the money to get it, or they can accept the forfeit. The game will begin once the umpire is paid in full.
 - 3. If a team forfeits or no-shows, the Team Sports office will pay the umpire.

4. If a team doesn't pay, the result is a forfeit. Refer to XXIII FORFEITS:
 5. Any additional questions can be referenced at: Downloads/Adult Softball/Q&A Pay on the Field.
- b. Judgment calls are not eligible for protest. If a rule is called incorrectly by the umpire, an appeal of rules can be brought to the supervisor for discussion. TIME will be called, and the clock will be stopped until the supervisor is present. Once the ruling is made, the game will continue as normal. The supervisor's ruling is final.
 - c. Any late arriving players will be placed last in batting order until the team has batted through the lineup once. If a player arrives after the team has batted through the lineup, they will only be able to enter the game as a substitute. (See XX. SUBSTITUTION). However, if a team started a game under the short-handed rule (with 9 players), a 10th player must enter the game as soon as they arrive.
 - d. REMEMBER, THE MORE YOU HUSTLE, THE MORE INNINGS YOU CAN PLAY!
 - e. Games will be scheduled every hour. NO NEW INNING will be permitted to start 55 minutes after the game begins.
 1. If teams are tied after playing 7 full innings, ONLY ONE additional inning will be played.OR
 2. If teams are tied after completing the 55-minute time limit, ONLY ONE additional inning will be played.
 3. Games may end in a tie after the extra inning!
 - f. In the event of a tie game, the following rules are in effect:
 1. The last batter from the previous inning will be placed on 2B and each batter in that inning will play with a full-count receiving only 1-pitch.
 2. The 1-pitch rule states that if a strike is called on the batter, the batter is OUT. If the pitch is called a BALL, the batter WALKS.
 - g. "Run rules" will be in effect in all levels of play, including the tournament.
 1. 20 runs after 3 innings
 2. 15 runs after 4 innings
 3. 10 runs after 5 innings
 - h. A team may start and play with the minimum of 9 players. If a team drops to 8 players, the game will be forfeited.
 - i. The captain or team representative from the winning team needs to verify the final score with the umpire by writing their initials on the umpire's score card following the game.
 - j. All batters will begin they're at bat with a ONE BALL - ONE STRIKE count, without a courtesy foul. The batter is OUT if he/she hits a ball into foul territory after two strikes. If the ball lands foul before the defense can catch it, the ball is DEAD, and no runner(s) can advance. If the defense plays the ball, runners can advance at their own discretion.
 - k. Home runs are based on location. The following home run limits will apply to all fields: (Any home runs over the limits are an OUT).
 1. 2 Home Runs at: Mahoney, Lewis, & Cooper
 2. 4 Home Runs at: Holmes, Ballard, Sawyer-Snell, Elks, & Densmore
 - l. When a player hits an over-the-fence homerun, the batter and all runners DO NOT RUN THE BASES – JUST GO TO THE TEAM DUGOUT. This helps speed the game up considerably!
 - m. Dimensions:
 1. Pitching rubber: 50' from home plate
 2. Base Paths: 70'
 - n. Definitions:
 1. Interference: When a runner gets in the way of a defender making a play on the ball or is struck by the hit ball. (This can be intentional or unintentional).

2. Coach's Interference: The base coach is not allowed to touch their own base runner while rounding bases and the ball is in play.
3. Obstruction: If a defensive player without the ball is preventing the runner from obtaining the next base or plate, and the runner is forced out of their natural base path, obstruction will be called, and the runner will be awarded a base. The defense MUST have the ball to make a play on the runner.
4. Foul Tip: The ball goes directly into the catcher's glove after being struck by a swinging bat. Base runner can steal on a caught foul tip.
5. Foul Ball: The catcher must try to catch the ball. No stealing is allowed on a foul ball.
6. Fake Tag: A defensive player that applies a tag to a runner without possessing the ball keeping the runner from advancing. The runner is awarded the next base.
7. Four Base Award: When the defense makes an error trying to rob a homer...i.e., the ball going off the defender's glove then goes over the fence.
8. Collision Rule: When a player willingly makes aggressive contact with another player on the opposing team that the umpire deems intentional/flagrant.
 1. The player initiating the contact will immediately be ejected from the game and could be suspended from all games for the next 2 weeks with which they play or suspension from the remainder of the tournament.
 2. Any further collisions after serving the first suspension could result in the offender facing a suspension for the remainder of the season or following season, if necessary.
 3. In all cases, the Team Sports Supervisor will contact the offending party and the team captain about suspension lengths and dates. The Team Sports Supervisor ruling on this is final.

10. TOURNAMENT REGULATIONS

- a. No changes will be made to the tournament brackets once they have been published!
 1. Request for game times will not be honored during the tournament.
- b. The tournament begins immediately following the conclusion of the regular season games.
- c. Teams will be judged on their playing ability and placed in the division they should be most qualified to play in. Field supervisors & officials will give recommendations on divisions.
- d. Make sure to double check your team bracket online for time and location of each tournament game. You are responsible for finding out when and where your next game will be played. Some teams may be scheduled to play on a different field than where they played the regular season.
- e. All time limits and ground rules will carry over from the regular season except for ending in a tie. In tournament play, all games will be played until there is a winner.
- f. When teams from separate divisions play against each other, the ground rules for the field played on apply.
- g. Ejection of a player or team from a tournament game for any reason by an official will result in the suspension of the player from all teams/nights with which they play for the remainder of the tournament. The team could also be suspended from the remainder of the tournament. Individuals or teams who display inappropriate behavior after their final tournament game has been completed, may be banned from registering or playing in the league the following year or another sport offered by Lincoln Parks & Rec. Please see CODE OF CONDUCT for further details.
- h. All protests must be brought to the attention of the supervisor anytime between the first pitch and before the last out of the game or before time limit is reached.
 1. Eligibility protests will only be accepted during tournament games.
 2. All players on the roster are eligible for protest.
 3. Protests are valid for interpretation of the rules.

4. A \$20.00 cash roster protest fee is required to protest someone's eligibility during tournament play. Captains should notify an umpire they wish to protest. The umpire and/or field supervisor will take care of the protest procedure. **Each team can protest player eligibility.** Captains of teams involved will be notified as to the result of the protest. If the protest is upheld, the \$20.00 fee will be refunded. However, if the protest is not upheld, the \$20.00 fee will NOT be refunded.
5. The team who is questioned for eligibility must comply with the request of the umpire or site supervisor or the game will be forfeited to the opposing team. Each player on the team must present a valid PHOTO ID. Players should bring their ID to the field.
6. **SUMMER SEASON ONLY** with double-elimination tournament: Should there be a double forfeit resulting from both teams protesting rosters (each having illegal players) in the first round or winners' side of the bracket, then both teams will be eliminated from the tournament. Each team will have the opportunity to protest.

11.COIN FLIP

- a. The Home team will be decided by the flip of a coin. The winner of the coin flip has the option of being Visitors or Home team.

12.SCOREKEEPING

- a. Each team shall be responsible for keeping their score book. The umpire will confer with the home team's scorekeeper for all updates. The visitor's scorekeeper will become the default scorekeeper if the home team does not have a scorekeeper. If neither team has a scorekeeper, teams will be responsible for keeping their own score and will report the score to the umpire every half inning. Final scores must be confirmed by the winning team's captain with the umpire following the game, by initialing the umpire's scorecard.

13.PITCHING

- a. **Pitch height and speed is a judgement call by the umpire which WILL NOT be argued by players or fans. Teams will be issued an unsportsmanlike out for arguing pitch height. See UNSPORTSMANLIKE CONDUCT & PROFANITY for more details.**
- b. **For a pitch to be legal, the ball MUST be delivered with a perceptible arc of 6-10 ft.**
- c. A pitched ball that does not meet these requirements is considered an illegal pitch and is a BALL, even if the pitch hits the mat. Illegal pitches may be hit, and baserunners are permitted to steal.
- d. Each pitcher shall receive 3 warm-up pitches when they begin the game. For each inning thereafter, they will receive 1 warm up. An automatic BALL will be called for every pitch that a pitcher continues to throw after the limit has been reached. These extra pitches do not have to be made to the catcher only. A BALL shall be called for a pitch thrown to an infielder if it is more than the warm-up limit.
- e. A pitcher who throws excessive speed more than once in the same game will be removed from pitching but can play other positions.

14.THE MAT

- a. The 2 ft. x 3 ft. mat is placed behind home plate to determine the strike zone. The strike zone only includes the mat and not home plate. If the pitch lands on the mat (with a perceptible arch of 6'-10' deemed by the umpire), it will be called a STRIKE.
- b. **If a pitch lands on the mat and on the plate at the same time, or hits the plate prior to hitting the mat, it will be called a DEAD BALL. The plate supersedes the mat.**
- c. The mat is NOT an extension of home plate. BASE RUNNERS MUST TOUCH HOME PLATE TO SCORE. Similarly, a fielder must also touch home plate for a FORCE OUT to count.
- d. A team can appeal a runner touching the mat.
- e. To fairly judge whether the ball is going to strike the mat, catchers need to let the ball land. If a catcher touches the ball prior to it landing, the pitch will be deemed a BALL.

15. EQUIPMENT

- a. Masks &/or shin guards may be worn by any defensive player.
- b. Any offensive or defensive player may wear an approved helmet.
- c. Some teams have fun designing their team shirts; however, team uniforms are not required.
- d. Plaster casts or other hard substance in their final form may not be worn during the game.
- e. Exposed jewelry: We strongly urge players to not wear any jewelry, but if the umpire deems jewelry dangerous to yourself or others, it must be removed for the game. The umpire's judgment and ruling are final. If the player refuses to remove the jewelry, he/she will not be allowed to play. Medic alert bracelets or necklaces are not considered jewelry and must be taped to the body, so the medic alert information remains visible. Fitbits or activity trackers are allowed. Metal clasps may need to be covered. Use tape/band aid/sweatband.
- f. Wearing bandanas that tie on the head is not allowed. Must be elastic stretch like a sweatband.
- g. Lack of equipment by any team will constitute a forfeit unless another team is willing to supply it.
- h. Any exposed metal on cleats is NOT allowed. If a player is found wearing metal spikes, they will be asked to change them. If a player does not change shoes, they will not be allowed to continue in the game. The team can play with the short-handed rule for this violation until shoes are changed.
- i. All players are required to wear closed-toed, closed-heel shoes. No flip-flops, sandals, Crocks, or bare feet.

16. BALLS

- a. The ONLY balls allowed for city rec play are: 12 inch (52 COR / 300 LBS). The balls MUST be stamped with the ASA/USA SOFTBALL logo. Allowed colors are optic yellow with red stitching and one of the following stamps:

New Stamps as of 2020:

- b. The "Tattoo" NX3 ball is allowed. It's made as a one-piece heat bonded urethane cover.
- c. Teams without the approved balls will be considered to have a lack of equipment and be liable for forfeit.
- d. Balls can be purchased at most major sporting goods stores in Lincoln and online at various sporting good sites. (NOT Dick's Sporting- they do not carry the correct balls!)
- e. It is HIGHLY suggested that each team always has 6-12 balls on hand.
- f. Each team shall provide 2 balls to the umpire at the coin flip. The umpire will place one ball in their ball bag and the other will be given to the opposing team.
- g. Blemished balls are permissible if the umpire can still see the ASA/USA SOFTBALL logo on it. THE UMPIRE'S RULING ON LEGALITY OF ANY BALL IS FINAL!
- h. Teams will hit the ball they have provided at the beginning of each inning.
- i. Teams should make sure to clearly mark in small lettering each of their game balls so that it is identifiable as their team ball.

17.BATS

- a. All bats that will be used in Lincoln Parks and Recreation League must be checked and compression tested by the Team Sports Office and have a current year sticker placed on the bat – even if you had the bat stickered last year! A list of approved bats can be found on the ASA/USA SOFTBALL web site www.ASA/USA Softballsoftball.com in the Certified Equipment section.
- b. Approved bats must bear either the ASA approved 2000 certification mark, the ASA 2004 certification mark as shown below, or the ASA 2013 certification mark as shown below and must not be listed on the ASA Non-Approved Bat List.

USA Softball has begun transitioning to the new USA Softball Certification Marks for the 2020 calendar year. New Certification Marks for are eligible. All bats must be included on a list of approved bat models published by USA Softball.

- c. If for any reason a sticker falls off the bat during the year, bring the bat back to the office and have it restickered.
- d. If a bat is deemed illegal or is disqualified for the game the bat must be removed from the dugout. This decision can be appealed to the site supervisor who will have the final decision. If the supervisor upholds the umpire's decision, the bat must be removed, and the sticker will be pulled. Further appeals MUST go through the Team Sports Office.
- e. Bats with cracks or dents in them will not be allowed.
- f. Umpires will check bats before every game!! Please have your bats ready so the start of the game isn't delayed!
- g. If a non-stickered bat is used to put the ball in play, an OUT will be assessed.
- h. If a player enters the batter's box with a non-stickered bat, the bat will be removed from the playing field and cannot be used again until a current sticker is placed on it (in the Team Sports office). If the bat is brought back into the game for any reason, the player in the batter's box will be disqualified and an OUT will be assessed.
- i. It is the responsibility of the players and teams to make sure they are using legal bats.
- j. If you are looking to purchase a bat and are unsure if it will be approved for play in the Parks & Rec leagues, you are welcome to email pictures of the bat or link the website to Monica at mmanning@lincoln.ne.gov. The bat will still need to be brought to the office for testing/sticker.

18.COURTESY RUNNER

- a. **Yes- there are 3 courtesy runner rules!**
 1. **COED: One male and one female courtesy runner may be used each inning.**
 2. **Players 50 years of age and older are also entitled to a courtesy runner once per inning if they choose.**
 3. **A courtesy runner for any age may be used for any runner once per inning.**

- b. A courtesy runner can only run once per inning. Should the same runner enter the game to run a second time in the inning, the official shall call them OUT.
- c. A batter who comes to bat a second time in the same inning and reaches base safely, may not have an additional courtesy runner. He/she must run for themselves.
- d. A courtesy runner whose turn at bat comes while on base will be OUT. The courtesy runner will be removed from the base and come to bat. A second courtesy runner cannot be substituted at this time. A courtesy runner may not run for an existing courtesy runner except for an injury or health concern.

19. BLOOD RULE

- a. A player or coach who is bleeding or who has blood on his uniform shall be prohibited from participating further in the game until appropriate treatment can be administered. If medical care or treatment is administered in a reasonable length of time, the individual will not need to leave the game. The length of time considered reasonable is left to the umpire's judgment. The umpire shall:
 - 1. Stop the game and allow treatment if injured person would affect the continuation of play.
 - 2. Immediately call a captain, or another person to help the injured player.
 - 3. Apply the rules of the game regarding substitutions, re-entry, and short-handed players if necessary.
 - 4. Any substantial time lost due to any injury, etc., will be added to the time limit of the game.

20. SUBSTITUTIONS

- a. **Men's & Women's Leagues:** If a base runner is injured and unable to continue and there is no eligible substitute available, the player who made the most recent OUT may run for the injured player. If this substitution is made, the injured person is removed for the remainder of the game, their position in the batting order is left vacant and no penalty is assessed.
- b. **Men's & Women's Leagues:** If a player (other than a base runner) is injured or leaves the game for any reason other than an ejection with no eligible substitution available, their position in the batting order is left vacant and no OUT will be assessed. The player may not return to the game. If additional players leave for any reason, they must have a substitute. If not, the game is over by forfeit if a team has less than the required minimum number of 9 players.
- c. Anyone not in the line-up is considered a substitute and can only enter the game twice. That substitute must bat in the order of the player they replaced.
- d. If a player re-enters the game in a position in the line-up other than their original starting position, this is considered an illegal re-entry. If a player tries to re-enter the game to play a 3rd time, this is also considered an illegal re-entry.
- e. Violation of the re-entry rule is handled as a protest.
- f. If a player is ejected and there are no substitutes available, the game will be forfeited to the opposing team.

21. SPORTSMANSHIP & PROFANITY

- a. The umpire has the authority to assess one UNSPORTSMANLIKE OUT against the offending team for the use of PROFANITY which shall be defined as expletives (vulgar or profane language) not directed at umpires or opposing players, uttered by a player, captain, on the field or an individual within the dugout involved with the play of the team, frustrated with themselves, a teammate, or fan.
 - 1. PLEASE NOTE – an umpire's interpretation of profanity varies from one to the other. If your team doesn't want to be assessed an OUT, don't use any language that could be looked at as profanity.
- b. The umpire has the authority to assess one UNSPORTSMANLIKE OUT against the offending team for excessive protests, arguments, arguing pitch height, complaints, or behavior not appropriate in a recreation sports setting, (throwing bat, glove, gestures, whining, etc.). The OUT can be assessed to anyone involved with the team (players, coaches, captains, scorekeepers, or fans).
- c. Any OUT assessed to the defense will be applied to their next at bat.

- d. UNSPORTSMANLIKE OUTS can be assessed as the third OUT of an inning or the last OUT of a game.
- e. UNSPORTSMANLIKE OUTS will be assessed as a TEAM OUT and will not affect any batter or base runner. For scoring purposes, the putout will be credited to the catcher.
