- **One coach is allowed to be on the field for offense and defense.**

PRACTICES

- Practice will be scheduled by the coach in conjunction with team members. Teams may practice **twice a week** for approx. 1 hour. Practices must be held as they are critical for the development of the players.

TIMING

- Games are two 20-minute halves (running clock) with a 5 minute halftime. Teams will switch directions at halftime.
- No overtime for any grade division.
- Referees and coaches must attempt at snapping the ball within 30 seconds to avoid long delays.
- Each team has one 60 second timeout per half, no carryover. Clock will stop for timeouts and injuries,
- Officials can stop the clock at their discretion.

START OF GAME

- The game is started with the players/coaches meeting with the referee at midfield and going over the Sports Pledge.
- The home team will begin with the ball to start the game; the visiting team will begin the 2nd half with the ball.
- The offensive team begins the game and second half by taking possession of the ball on its 5-yard line.
- Coaches and officials may improvise rules under any circumstance, including number of players on the field, to maximize the potential for fun and participation.

GAME:

- Teams have 4 plays to gain first downs and to score a touchdown.
- Interceptions are allowed and are returnable. Interceptions on PAT's will be considered dead.
- PAT's will be taken at the 5 yard line.
- Safeties will count.
- All fumbles will be a dead ball at the spot where the fumble occurs, except on a muffed snap and a **clear path to a TD.**
- **1st-4th Grade:** Every possession and change of possession will begin at the 5 yard line. There will be no punts for this division. All four downs will be used without the concern of giving up field position.
- **5th-6th Grade:** Possessions will begin where the offensive possession or interception ends. After a scoring possession, the opposing team will begin at the 5 yard line.
- No punts.

OFFENSE

- **The Quarterback CANNOT run the ball across the line of scrimmage, he/she must hand off or pass.** The quarterback does have the ability to scramble in the backfield, but cannot advance the ball beyond the line of scrimmage. This is in place to include others in each offensive play. Without this rule, a quarterback could dominate each play by advancing the football.
- The ball must be snapped between the legs, not off to one side, to start play.
- **A muffed snap to the quarterback will not be considered a fumble and the down will be replayed.**
- No center or QB sneaks allowed.
- The ball is spotted where the ball carrier's feet are when the flag is pulled, not where the ball is.
- If the ball carrier accidentally loses the flag belt or falls down, the ball is dead at that spot. However, if the ball carrier has a clear path to a TD when the flags fall off, this rule is void.
- Offensive players must try and avoid contact with the defensive player.
- Players are allowed to spin only to avoid contact with the defender.

BLOCKING

- Blocking is allowed on the line of scrimmage on the defender's upper body. **Blockers may use their hands/arms to block but not to extend or displace the defender which will result in a penalty.**
- Downfield blocking is not allowed beyond the line of scrimmage.
- Once the ball has been handed off or pitched, all defensive players may rush.

RECEIVING

- All players are eligible to receive a forward pass.
- A player must have at least one foot inbounds when making a reception.
- In the case of simultaneous possession by both an offensive and defensive player, possession is awarded to the offense.

PASSING

- Quarterback has 10 seconds to throw the ball. If a pass is not thrown within 10 seconds, it is treated as an incomplete pass (loss of down). If the QB is standing in the end-zone at the end of the 10-second clock, the ball will be returned to the line of scrimmage.

DEAD BALLS

Play is ruled dead when:

- Ball carrier's flag is pulled
- When the ball is a fumble, except when the ball is snapped
- Ball carrier steps out of bounds
- Touchdown or extra-point is scored
- Ball carrier's knee hits the ground
- Ball carrier's flags fall off or the receiver catches the ball while in possession of one or no flag(s).
- The **10 second** pass clock expires.

RUSHING THE QB

- **All defenders must be a minimum of 5 yards from the line of scrimmage when the ball is snapped.** Referee will designate a rush line **5 yards** from the line of scrimmage.
- 1st-2nd grade: official will also begin a 3-second count with hands in the air and chopping down at the end of the 3 seconds.
- Limit 1 pass rusher is allowed unless the ball is pitched or handed off.
- Once the ball is handed off to another player, the rush rule is no longer in effect.

PENALTIES

All penalties will be called by the referee.

- **Unsportsmanlike Conduct** (swearing, disrespecting officials, taunting, spiking, etc.)--10 yard penalty and automatic 1st down or loss of down depending on infraction; it may result in ejection.
- **Personal Foul**-(intentional flagrant actions beyond illegal contact)—Player is ejected. 10 yard penalty and loss of down or automatic 1st down if by defense.
- All penalties within 5 yards of the end zone will be half the distance to the goal line.
- Referees determine incidental contact that may result from normal run of play. All penalties will be assessed from the line of scrimmage.

- **Pass Interference**—5 yards and replay down
- **Illegal Contact** (holding, blocking, tackling, pushing, stripping of ball)—5 yards and replay down.
- **Illegal Rushing** (Start inside the 5 yard marker, more than 1 rusher on a pass, or rush before the snap)—5 yards and replay down
- All defensive penalties incur automatic a 5 yard penalty and replay of the down.

Offense:

- **Illegal Motion** (false start, offsides, QB running ball)—loss of 5 yards and replay down
- **Illegal Forward Pass** (throwing a pass beyond line of scrimmage)—loss of 5 yards and replay down
- **Illegal Contact**-(stiff arm, holding, charging, pushing, excessive blocking) - loss of 5 yards and replay down
- **Offensive Pass Interference** (illegal pick, pushing off defender)—loss of 5 yards and replay down
- **Flag Guarding**—loss of 5 yards from the spot of penalty. If a first down is gained on the play, 1st down will remain, even if it moves back behind the first down line.
