

New User?

- An account will automatically be created for you. **Do not** create a new account.

Previous User?

- In order to see your team-specific information (rosters and schedules) you must be logged in.
- If the team does not have a coach, you will not be able to see the roster or what the team name is until a coach is assigned.

Trouble Logging In?

- Go to the 'log in' page
- Click the button 'forgot password'
- Enter the same email address that was used to register for the program.
teamsideline will not recognize your account unless the emails match
- TeamSideline will send you an email to reset your account.

Not Receiving Emails From TeamSideline?

- Add ***no-reply@teamsideline.com*** to your contacts so emails from TeamSideline are not blocked.
- Check your junk/spam folders.
