Gym Details

Most of the gyms are not owned by the YMCA. Please, supervise your children so they are not in other areas besides the gym. We would hate to lose access to the gyms because the facility was damaged due to negligence. Pick up trash before leaving gym.

Parent Expectations

We encourage you to cheer for your child! Please set a good example for your child and respect the opponents and the officials. Poor sportsmanship will not be tolerated. We have thrown fans and coaches out of this league in the past and we will do it again this year if parents cannot watch youth basketball with respect.

YMCA Parking and Entrance Details

If you play at the YMCA, please park at the Grace Life Church (1220 W 18th St. Hastings, NE. 68901) that is across the street, walk over to the new YMCA, and enter through the gym doors. Below is a diagram of where to park and where the entrance is. There is a sidewalk on the east side of the gym that leads directly to the doors of the gym. Please follow the red path. Do not enter through the main YMCA entrance.
