- C. All players must be 18 years of age or older.

- E. Eligibility protests must be made prior to the conclusion of the game. Players are responsible to have photo identification at all games in case a question of eligibility arises.
 - i. Any players whose ineligibility is verified will be removed from the game and their team will forfeit the match. The ineligible player may not return to play in that league for the remainder of the season.
- F. No roster changes that will change the classification of a team will be allowed. Player adds that significantly alter a team and game outcome may result in a forfeit of game(s) in question.

TEAM CLASSIFICATIONS

The following is a guideline for team managers to use to determine which division to enter. The final classification of teams will be determined by the League Director.

- **1.0-2.0 SKILL LEVEL:** Beginning Divisions
- **2.5 SKILL LEVEL:** Intermediate (low) Divisions
- **3.0 SKILL LEVEL:** Intermediate (mid) Divisions
- **3.5 SKILL LEVEL:** Intermediate (high) Divisions
- **4.0+ SKILL LEVEL:** Advanced Divisions

More detailed definitions of skill levels can be found on www.usapickleball.org.

PLEASE NOTE: The Newport Beach Recreation Department reserves the right to move teams pre or midseason to a different division or site than originally requested based on a number of factors including skill level or the size of the existing division.

Division and day of the week are granted on a first-come, first-serve basis.

Division level is considered first when placing teams. Day of the week are secondary requests that will be accommodated if possible. If a division is full, a team will be defaulted to the division level that comes closest to their secondary request. For this reason, it is important that all registering teams list at least two preferences for days of the week.

OFFICIATING & RULES

- B.** Each team will make in/out calls on their side of the court only. If your team is unsure or did not see the ball then the ball is called IN.
- C.** A player may appeal a call to the opponent's partner and respectfully accept the decision.
- D.** If a team is unsure of a line call, they may ask the opponent if they were in a better position to see the ball. An opponent's opinion, if requested, must be accepted.
- E.** If no one clearly saw the ball then the ball is called IN
- F.** The Newport Beach coordinator has the authority to overrule calls and/or assist with referee duties at any point during the game.
- G.** If an incorrect score is called or you are unable to hear the score you can stop play before the receiving team makes contact with the ball. If the receiving team makes contact with the ball, continue play and correct the score with the next serve.

- I.** Foot faults – player will be advised, but not penalized unless flagrant. Keep games moving and do not repeatedly call minor faults.

- A.** Each manager is responsible for the conduct of their team. If, in the opinion of City representative, a manager does not have complete control of their team, the game may be forfeited.
- B.** The manager shall conduct all grievances in an orderly manner. Continued harassment of players, managers, or spectators may result in ejection from the game or forfeiture of the game.

All teams will play a minimum of 8 games which may include playoffs.

League champions will be determined through a single-elimination playoff tournament. Playoff seeding will be determined by league standing and overall won-loss records. If a tie still exists after a head-to-head match, playoff seeding will be determined by point differentiation. Additional tie-breaking procedures will be determined at the discretion of the league coordinator as needed.

SPECIAL NOTE: If time is not available due to the next season beginning or a scheduled maintenance, the league director may award co-champion awards and no playoff games will be played.
