SCHOLARSHIP  
FUND

**Scholarships and reduced fees for programs offered by  
Town of Cary Parks, Recreation & Cultural Resources.**

*“My children recently benefited from the scholarship while my husband was out of work,  
and now we’re able to pay it forward.”* –A Scholarship Recipient and Donor

Recreation reduces stress, builds self esteem, improves overall wellness, encourages positive social behavior, teaches leadership and team work skills, and is just plain fun.

But sometimes life happens and situations arise that make affording these programs difficult for some right here in our community. That’s where Play It Forward can help—to assist during those hard times. The scholarship fund provides opportunities for Cary residents in need of financial support to participate in many of the programs offered by Parks, Recreation and Cultural Resources.
