Any "pitch" thrown during a dead ball (balk, umpire has called time, etc.) does not count toward the pitch count.

The head coach shall check with the scorekeeper at the end of each half inning to confirm the pitch count for the half inning just completed. The coach must be on the field, inside the fenced area when communicating with the scorekeeper.

NOTES: Scorekeeper's count is official.

Cross out the number as that pitch is thrown.	Circle the number for the last pitch thrown in each half-inning.
