10U, 12U, 14U and 18U Softball - Rules Summary**

THIS IS A RULES SUMMARY

This does not include all of the rules for the leagues.

Please review the rules in the notebook at the scorer's table when necessary. Thank you.

National Federation of High Schools (NFHS) rules will be used unless otherwise stated in the Cary youth softball league rules in the handbook.

SOFTBALL BATS

Prior to each game, all bats for both teams must be checked. NFHS utilizes USA Softball (USA) certification standards. All bats must be marked with the ASA 2000, 2004 or the USA Softball All-Games Certification Mark, and not be included in the USA Softball non-approved bat list.

Prior to each game each team is guaranteed 5 minutes of on-field warmup. Visiting team will take infield no later than 15 minutes prior to the game. Home team may take infield no later than 10 minutes prior to the game.

5 minutes prior to the game will be for coach meeting and pitcher warmups. Umpires will meet with both coaches for a pre-game meeting at home plate. Cary league rules should be reviewed along with any other pertinent issues. Remind coaches to encourage their players to hustle on and off the field between innings.

(Before game) Umpires must sign the game results sheets at the scorer's table. Get game balls from scorekeeper.

Home team occupies 1st base dugout.

The strike zone should be appropriate to the skill level of the pitching in the league.
