ASSUMPTION OF RISK AND LIABILITY RELEASE & AGREEMENT
READ BEFORE SIGNING

The Town of Cary, frequently through its Department of Parks, Recreation, and Cultural Resources (“PRCR”), offers various programmed activities (“Activities” or “Activity”) for citizens and others to participate in. This Assumption of Risk and Liability Release & Agreement (Release & Agreement) is designed to inform participants of potential risks involved in participating in the various Activities, most of which are group activities, and to release Town from liability related to participation in Activities. Finally, this Release & Agreement gives the Town permission to use your email address and contact information for other Town promotions and activities.

This Release & Agreement is designed to be a standing Release, that is, once this Release is signed by you (for yourself or your Minor), it will apply to all Activities for which you register through the Town’s registration system until this Release is revoked by you or you are notified by the Town that it needs to be updated or replaced.

THE RELEASE

In consideration of being allowed to register for and participate in an Activity offered by the Town, I, the undersigned, on behalf of myself or as parent or legal guardian of _____, a minor (“Minor”), agree to support and conform to Activity rules established by the Town to provide for the health and safety of participants in Activities. I acknowledge, understand, and agree for myself and Minor that participation in Activities carries various general risks to participants including risks related to the spread of infectious diseases, property damage, personal injury, or even death resulting from:
