

April 2024 CJO Commissioner Report

Positive Feedback- As we are working diligently on preparing for season take-offs coming up quickly, I feel that it is very important to acknowledge the positive feedback received from our community regarding our program since the beginning of the year. Please keep up the good work and if you need anything, please do not hesitate to reach out to myself, Brian, or Justin.

MMPFL Meetings- The March meeting was cancelled, and items were moved to the April meeting. The April meeting will take place on 4/11 at 7pm in Mason. Items being covered in the upcoming meeting include scheduling, conditioning, schools/entities interested in joining the league, rule meeting locations, and registering clubs on USA football.

Legacy Program- Following the April meeting, we will determine when we will be able to get the storage facility prepped and ready to go before accepting donations of equipment. I need to follow up on the fund for this and develop promotional communications to support this effort.

Grant Opportunities- I have identified several grant opportunities that our program can apply to. As soon as I have availability, I will begin applying for these. As we know, our facilities are the most pressing priority at this time and will be the basis for these grant applications.

Board Responsibilities- As a reminder, it is imperative that board members share the bulk of operational responsibilities necessary to carry on our program. Please be sure to sign up for event coverage on the signup genius to ensure we are spreading out the work. Thank you to those who have stepped up to cover events while others have been tied up with other obligations. Additionally, please act as a positive program martyr by sharing opportunities and program communications as you are able. We have been doing a really good job with all of this so far and we don't want to lose momentum.

Website- I plan to continue to work with Brian and Lauren on building out the website with more information that will be helpful to families, coaches/staff, and our community. All feedback has been very positive up to this point and registrants have really appreciated the online option.

Compliance, forms, and documentation- As things slow down with my personal coaching responsibilities, I plan to begin diving into these items to prepare for our upcoming fall season. If you wish to be a part of this process or have inputs, please let me know.

THANK YOU FOR YOUR CONTINUED COMMITMENT AND SUPPORT!
