## ROSTER & ELIGIBILITY

1. **Roster Information:** The team roster needs to be completed and turned into the NLCPD Staff at the table before your first game. Every week, players will need to sign the roster/waiver with the NLCPD staff at the front table. All roster information must be legible, complete, and accurate for a player to be eligible for league play.
2. **Check in:** Players must check in at the score table before each game.
3. **Roster Limit:** Roster may consist of a maximum of 12 players or a minimum of 5 players. **Roster changes will not be allowed after week 4 of the regular season.**
4. **Valid ID:** All players must have a valid picture ID at all games to verify their identity at the request of the referee(s), staff or another player. If a player cannot present a picture ID upon request: before the start of the game: they will not be allowed to play in the game. If this happens during a game and the player can't provide the I.D., the team will forfeit the game.
5. **Player Eligibility:** All players must be at least 18 years or older. Anyone in the current calendar year, listed on a collegiate, or professional team roster is ineligible.
6. **Ineligible Player:** Any team found using an ineligible player will forfeit the game.
7. **Player per team limit:** Once a player's name appears on a team roster, that player may not play for any other team in the same league.
8. **Team Jerseys:** Each team must have the same color shirt on with numbers. If both teams have similar colors on, the visitors will wear a reversible jersey provided by the Park District. Those need to be returned to staff immediately following your game. If they are not returned, that team will be charged \$20 per jersey.

## GAME

1. **Home/Away:** First team listed on the schedule denotes the home team.
2. **Pre-Game Warm-up:** Teams are allowed a three-minute warm-up prior to start of game. Captains may opt to decline warm-up and, instead, begin game immediately, but both captains must agree. Referees may eliminate the warm-up due to time constraints. Referees may also delay start of and progression of game to respond to unexpected situations, and this delay will not affect game ending time.
3. **Forfeit Time:** Game time is forfeit time. No less than four eligible players must be on the court, in uniform, and ready to play. The opposing team does not have the right to waive this rule. ***Note: Score of any forfeited game will be 20-0.***
4. **Player #s to scorekeeper:** Team captains must confirm all player numbers to scorekeeper and all players must sign their roster 3 minutes before the game, as this validates players eligible for play.
5. **Game Length:** The game will consist of two halves, twenty minutes in length with a three-minute halftime. Except for time-outs, the clock will run continuously. The clock will stop on all whistles for the last two minutes of each half.

6. **Slaughter Rule:** If a team is ahead by fifteen or more points during the final two minutes of the second half, the clock will continue to be a running clock.
7. **Overtime:** Overtime is two minutes in length and will start with a jump-ball. It will be an official clock, stopping on all whistles. Each team receives 1-timeout with no carryover. There will be a 1-minute intermission before the extra period begins. The 2<sup>nd</sup> overtime, will be 1-minute in length with no timeouts allowed. If the score is still tied the winner will be the first team to score in the 3<sup>rd</sup> overtime period.
8. **Time-outs:** Each team is allowed two time-outs per half (one minute in length). A technical foul will be called against any team calling a time-out when there are no time-outs available to that team.
9. **Substitutions:** Substitutions can only take place at stoppage of play. Substitutes must notify scorer and referee(s) before entering the game.
10. **Substitution Time-outs:** Each team will be allowed 3 substitution timeouts per half. The team calling the “substitution time-out” must be in control of the ball in their backcourt and have no defensive player in the backcourt. Both teams will be allowed to sub at that time. (This time-out will be called at the referee’s discretion, and the clock will continue to run unless the referee directs it to be stopped if he believes a team is wasting time.)
11. **Fouls:** Common fouls will be taken out of bounds until the 10<sup>th</sup> and successive team foul per half. The 10<sup>th</sup> and successive team foul per half will result in 2 shots. The clock will continue to run unless it is during the final minute 2 minutes of each half. **NOTE: Players must leave the game on 5<sup>th</sup> personal foul.**
12. **Technical Fouls:** All technical fouls called will result in two points and ball to the opposing team. Technical fouls count towards personal and team fouls.
  - Any player charged with two technical fouls during one game for unsportsmanlike conduct will be ejected from the game and asked to leave the facility immediately.
  - Three technical fouls by one team in any game will result in a forfeiture of the game.
  - Any player charged with 4 technical fouls during the season will be suspended for the duration of the season (without refund), including the playoffs.

15. **Game Ball:** A total of 4 balls will be given per team for their warm-up. A game ball will be provided by the Park District.

## AWARDS & PLAYOFFS

1. **Playoffs:** Playoffs will be a single elimination tournament. Top 8 teams are eligible for the playoffs as long as they are in good standing from the regular season. All rules from the regular season apply to playoffs.

2. **Prize Money:** Prize money will be awarded to regular season first and second place and tournament champions. Prize amounts are determined by the number of participating teams. Teams will receive an email once the amounts are determined.
