

CARA SPORTSMANSHIP AGREEMENT

The Colorado Parks and Recreation Association and the Colorado Association of Recreational Athletes (CARA) have made a commitment to promote good sportsmanship by athletes, coaches, and spectators at all CPRA sanctioned events. Profanity, degrading remarks, fighting and intimidating actions directed at officials or competitors will not be tolerated, and individuals indulging in this type of behavior will be put on probation, suspended, or asked to leave the program depending on the severity of the situation. The committee chair, CARA chair elect, and CARA chair will have the final decision on unsportsmanlike behavior.
