*Revised March 15<sup>th</sup>, 2024*

I. RULES

- A. Official guide of play for City League is the current USSSA Softball Rule book, unless superseded by the following City League Softball Rules:

II. UNIFORMS AND TEAM REGULATIONS:

- A. All players who play in a game MUST have a shirt or jersey, recommended same color, but not mandatory.
- B. If a cap is worn, it must be baseball style cap or visor. Bandanas are legal headgear, but must be worn around head. No other style is permitted during a game including plastic baseball caps.
- C. All exposed jewelry must be removed. If a player fails to do so, the player is ejected from game.
- D. The umpire will keep official score for each game. Teams may keep a book if they chose but must bring their own book to each game. Any team or player of the team that knowingly manipulates the score, batting orders, etc., will be the cause of that team forfeiting that game and being banned from the league for the remainder of the playing season.

III. STARTING TIME AND FORFEITURES:

- A. A team must have at least 8 players in the score book or on the field to start and continue game.
- 8 player rule: If a 10 person team has an injury they may continue to play with 9 players and the injured player will be removed from batting order. This rule applies until the minimum number of players is reached (8). After that a team will not be able to play and will forfeit.
- B. Game time is starting time: Monday-Friday: 6:15 PM-9:15 PM. Sunday: 1:00 PM-10:00 PM
- Exception: If a team does not have 8 players, the opposing team's manager can give them a 10 minute grace period. Only 55 minutes will be allotted to complete the game (10 minute grace period included)
- C. Officials will use their watch or time piece as the games official timing device.
- D. Teams who use the (EH) or Extra Hitter will be allowed to continue a game with as few as (8) players.
- E. As additional players arrive teams can add to batting order up to twelve (12) players with no penalty.
- F. Forfeit rule: – If a team forfeits more than 2 games, the team will ineligible for post season tournament and will be subject to suspension from any further league competition with **NO REFUND**. If teams are not able to play, we encourage them to contact the Adult Sports Office by no later than noon on the day of the game or noon on Friday for weekend games so that the opposing team's manager can be contacted. If a team forfeits any games without contacting the Adult Sports Office within the time mentioned above, that team will not be eligible for post season tournament or league championship awards. The Adult Sports Office will not reschedule any games other than those canceled by the league office.

IV. LENGTH OF GAME:

- A. Official starting time will be designated by the plate umpire. Starting time is to be notes on the score card by the umpire. Please do not waste time getting organized, your start time is game time.

- B. League Games – A game shall consist of seven (7) innings or a (55) minute time limit and no new inning shall start after time limit. Five (5) innings, or 4 ½ if home team is ahead shall constitute an official game. If game is postponed before it becomes official, game will be rescheduled and will start over.
- C. In the event of a tie at the end of regulation play and/or time limit the tie will be broken based on the International Tiebreaker Rule. Starting with the top of the eighth inning, and each half inning thereafter, the offensive team shall begin its turn at bat with the player who is scheduled to bat last in that respective half inning being placed on second base (e.g., if the number five batter is the lead off/scheduled batter, the number four batter in the batting order will be placed on second base as a runner. A substitute may be inserted for the runner using the normal substitution rule). This is not sudden death and both teams are allowed to bat. The batter will come to the plate with a 3-2 count and will NOT have a courtesy foul ball.
- D. Maximum Run Rule and Flip/Flop Rule—All Leagues: In the inning when the run rule for that particular league is exceeded and the home team is losing, the home team will remain at bat and become the visiting team. If the team (new visiting team) does not score enough runs to reduce the run difference below the run rule, the game is over. If they reduce the run difference to below the run rule then the new home team will bat. If they subsequently score enough runs to exceed the run rule, the game will be over; if they do not, the game will continue under that format. If the situation reverses, the teams would flip/flop again.

**Note: The following table shows the run rule and when the flip/flop rule takes effect.**

**Run Rule and when to Flip/Flop:**

**All Leagues:**    15 after 3 | After 2<sup>nd</sup> inning  
                           12 after 4 | After 3<sup>rd</sup> inning  
                           10 after 5 | After 4<sup>th</sup> inning

- Q. Pitchers have the option of using a pitching screen. The screen maybe used during any game by any pitcher.
- If a batted ball contacts the pitchers screen it is deemed a foul ball and will count as a courtesy foul.
  - Pitchers will not be allowed to come out from behind the screen to play as an 11<sup>th</sup> defender.
- R. Music is permitted during game time with the expectation that all explicit songs are censored. Only the batting team is permitted to play music during gameplay.
- S. **Umpires will now be enforcing the USSSA "Mockery of the Game" Rule, wherein a player or team may not perform any act deemed making a mockery of the game (i.e. running the bases backwards, letting fly balls drop intentionally, poor sportsmanship, etc.) In any game, a first offense will result in a warning, and a second offense will result in a forfeit on the offending team.**
- T. **Complex rules are to be enforced by umpires and the complex supervisor on duty. Complex rules are posted at the entry point to the complex and include the prohibition of alcohol and pets inside the complex. Players and spectators are subject to this rule.
