Woodbury Park & Recreations has a Team Conduct, Eligibility, and Forfeit Fee Policy for Adult Athletic Leagues.

Teams will have to pay for the following violations before their next scheduled game. If fees are not paid before the next game, teams or players may not be allowed to play.

- **Alcohol Consumption** – \$50 per incident. No alcohol can be consumed or taken into the school facilities.
- **No Tobacco Products** – \$25 per incident. This facility is a tobacco free facility.
- **Physical contact made with an official or another player** – \$50 per incident and expulsion from the league.
- **Not having a complete roster on file for the current league** – \$25 per incident. Roster are due before the 1st game and need to be submitted electronically at <http://www.teamsideline.com/woodburymn>.
- **Player Ejection** – \$25 per ejection. Any player who is ejected from a game, for any reason, must sit out that team's next scheduled game. If it happens again, they must sit out the next two games. For a third ejection, suspension will cover the remainder of the year.
- **Ineligible/Unrostered Player** – \$25 per violation.
- **Unannounced Forfeit** – \$25 per game. Less than 24 hours of scheduled game.
- **Loud or Vulgar Music** – \$25 per incident. Loud or vulgar music is not allowed during games.

This policy will be enforced by the League Director, League Officials, Gym Supervisors and including any City of Woodbury Parks & Recreation staff members. All teams will be required to pay the required conduct fee once notified by the league director that a team and/or player violation has been made. Teams will have 48 hours to pay the fee and will not be able to continue in the league until the fee has been paid. No exceptions.

I understand and agree to the terms listed within the conduct fee policy and agree to follow the policy as stated in order to remain in good standing with the league.

## Recreational (C)

- Just want to have fun!
- Do whatever necessary to get the ball over the net.
- Know the general rules of the game but may not know the more technical rules.
- 70% or less serves in play.

*Rec Players often try to use three hits, but struggle with execution. Basic passing, setting and hitting skills are inconsistent, and many sets are technically carries. Hitters do not utilize a true approach. Many points are “given” to opponent due to execution errors, (i.e. shanks, bad passes etc.)*

## Intermediate (B)

- Usually make three hits per side.
- Have a setter, but most of the time the setter is setting from the middle position.
- Attempt to block occasionally when a hitter is front of them.
- Players play the position into which they rotate rather than assigned positions.
- Have technical knowledge of the rules.
- 70-90% of serves in play.

*A solid “B” player has reasonable consistency. A few points are scored due to execution errors but not the majority, most points have to be earned. These players have typically played before in a recreational league setting.*

## Competitive (A)

- Can perform all skills: BLOCKING, SETTING, PASSING, and HITTING.
- Know what 5-1, 6-2, and 4-2 offenses are.
- Know how to cover the court defensively during a serve and during a hit.
- Can pass a hit or serve to the setter frequently.
- Front row hitters are able to take an approach and hit the ball consistently.
- Play with positions: outside hitter, middle hitter, right side hitter, setter and defensive specialist.
- Setters can set a basic outside, middle, and right-side ball with minimal spin.
- Get 90% of serves, or more, in play.

*Reserved for players who are highly competitive and only want to play with other highly competitive players. These players have typically played high school, collegiate or other elite-level volleyball.*
