

June 2, 2026

Dear Managers,

Thank you for registering to compete at Navajo's 6th Annual Summer Sizzle! We're excited for a fun weekend of softball!

**Who:** Navajo Girls Fastpitch

**What:** 2026 Summer Sizzle

**When:** June 12-14, 2026

**Where:** Lake Murray Community Park (aka Navajo Fields) at 7001 Murray Park Drive, San Diego, CA 92119

### **Rules**

All teams must be registered with USA Softball as a recreational "B" All-Star team. All players must be fully registered in the USA Softball system prior to the tournament. No player may be on the roster of more than one team. Please see the accompanying PDF for the complete tournament rules (this will also be available in the SportsEngine Tourney app).

### **Schedule**

The tournament schedule will be available on the SE Tourney app on or around Wednesday, June 10. You will be able to follow the tournament via the SE Tourney app.

There will be pool games Friday and Saturday with bracket games leading to championship games beginning Saturday afternoon and finishing on Sunday. The tournament scores will be kept up to date on SE Tourney, which will include the game schedule and tournament rules.

### **Electronic Check-In**

We are utilizing electronic check-in this year. Please email the following items to [nqfallstars@gmail.com](mailto:nqfallstars@gmail.com) by **Wednesday, June 10**, to complete your electronic check-in:

1. TeamSideline exported photo roster that includes Players. As a last resort, you may email the USA Softball Temporary Championship Roster with players and coaches listed and Board Member signature (form attached).
2. USA Softball dashboard card showing Manager photo, current Background Check, SafeSport, and Concussion training. Managers must also show current ACE certification.
3. Signed Code of Conduct (form is attached).
4. Name, cell phone number, and email for the team manager, to allow for quick/easy communication between tournament officials and teams if needed.
5. Team Name as it appears in GameChanger and/or as it should appear on SE Tourney app.

### **MVP Awards & Pins**

All team MVP awards and pins must be picked up at the Registration table at the Navajo Fields at Lake Murray. You will receive Summer Sizzle pins for each player on

your team as well as two Player of the Game medals. You will select 1 player from the opposing team as an MVP player and present the medal to that player after each pool game in the pitcher's circle. These will only be used for pool play games.

### **Umpires & Scorecards**

Umpires and/or Team Managers pick up Scorecards from the Summer Sizzle event coordinators at the Registration tent at the Navajo Fields at Lake Murray. After each game, the Umpire and Team Managers will complete all fields and sign the Scorecard. The winning Team Manager will turn in the Scorecard to the Summer Sizzle event coordinators at the Registration table. Summer Sizzle event coordinators will text a photo of the Scorecard to our NGF Vice President, Dennis Frey, who will update results in the SE Tourney app.

### **Fields**

The tournament takes place at Lake Murray Community Park (aka Navajo Fields) at 7001 Murray Park Drive, San Diego, CA 92119.

### **Food & Vendors**

We will have a Snack Bar and food vendors available all weekend at the Navajo Fields.

### **Swag**

We will be selling t-shirts for the tournament that can be purchased at the T-shirt Tent at the Navajo Fields at Lake Murray during the tournament.

If you have any questions or concerns at any time during the tournament, please contact any of us below.

Sincerely,  
Navajo Girls Fastpitch
