# GYM ETIQUETTE

- At all locations we are only allowed in the gym or the restroom. Kids or adults should not be wondering the schools or trying to gain access to separate areas of the schools.
- There should be NO bouncing balls or playing catch in the hallways. Please HOLD balls until you get into the gym.
- During practices, custodians are not always available when there are spills. To avoid sticky floors please bring WATER ONLY in screw top water bottles.
- All equipment attached or leaning against walls should not be climbed on.

# COURTS

- The first court upon entry of the gym will be court 1.
- The furthest court from the entry will be court 2.

# GYM ENTRY – MATTSON

# GYM ENTRY – CEDAR HEIGHTS

# GYM ENTRY – JENKINS CREEK

# JENKINS CREEK GYM SETUP

# JENKINS CREEK COURT SET UP

- At Jenkins Creek, there will be the extendable hoops in the back corner of the gym. There will be a ladder to use so teams are able to mount those baskets to the fixed 10-foot hoops.
- At Jenkins Creek and Covington Elementary there are tools to raise and lower the hoops. At Covington, that tool will be found under the benches against the sliding wall. At Jenkins Creek, that tool will be found by the PE teacher's office where the stereo is in the slide above.
- At Jenkins Creek, please take special care in seeing where the benches and mats are located. Those should not be moved and if they are moved, they need to be put back to where they are in the pictures above.
- The extendable hoops should be placed upside down over the ball cage in the back corner.

# GYM ENTRY – COVINGTON ELEMENTARY

# COVINGTON GYM SETUP

- Baskets are set at 10 feet. After use, baskets need to be raised back to 10 feet.
- The crank used to raise and lower the baskets needs to be inserted and then pushed up to “unlock” the mechanism to raise or lower the basket.
- Due to the size of the gym we are limited to teams using one half of the basketball court.

# GYM ENTRY – CEDAR VALLEY ELEMENTARY

# CEDAR VALLEY GYM SETUP

- Extendable baskets and ladder with instructions are through the gate under the overhang on the side of the building.
- After practice this equipment should be returned here.
