

## PARENT/GUARDIAN OATH

The City of Rialto – Parks, Recreation, and Community Services Department has introduced the following Parent Code of Conduct to emphasize the crucial role of parents/guardians in supporting their child/children in sports. Please carefully read and sign this form as your child will not be permitted to participate in games or attend practices until this signed form is submitted.

Any parent, family, friends, or athlete found engaging in improper conduct during games or practices may be asked to leave the sports facility and could face suspension or removal from the following game or the current/future season. Repeated violations may result in a multiple-game suspension or the forfeiture of the privilege to attend all games for the season or removal from the current and/or future seasons.

Our longstanding youth program is more than just a recreational league; it provides a secure, organized environment for children to learn, grow, and develop essential skills in sportsmanship, teamwork, and responsibility. To ensure a fair and enjoyable experience for all participants, we have established specific goals for our Recreation Youth Sports Program:

- > Providing equal opportunities for all participants to play, regardless of skill level or ability.
- > Offering players, the chance to experience leadership and training from coaches while forming bonds and friendships with new teammates.
- Creating a secure, pleasant, and positive environment for all participants.
- Fostering the development of skills, teamwork, and sportsmanship while encouraging players to learn how to win and lose gracefully.
- ➤ Promoting self-confidence, self-esteem, self-discipline, leadership, and the desire to succeed.
- Improving the overall quality of the youth sports experience.
