

Registration For Catamount Interclub & Tristate Racing Programs

There are three registration processes that need to be completed for each athlete. (See why down below)

1. **Catamount Ski Resort:** Purchasing: Race Programs and Lift Passes
Race Club Registration
2. **TeamSideline:** Catamount Race team management and communication. Internet and App
3. **US Ski and Snowboard (USSS):** National registration of athletes, coaches, officials, and clubs: Scoring and race governance, coach development and vetting, club and race insurance.

A current USSS registration needs to be completed before Team Sideline enrollment can be completed.

Why Three Registration Processes

Catamount Ski Resort: This is the mountain's system for selling all of its offerings and ties into its financial, accounting, and waiver management systems and processes.

TeamSideline: This is a widely used sports team/league management system. This was requested from parents in order to improve the information and communication flow that Catamount Ski Area's systems do not have the capability to manage. It has numerous capabilities to track and communicate with athletes, coaches, volunteers and parents.

US Ski and Snowboard (USSS): Our athletes, coaches and officials are governed under the USSS auspices through the Tri State Alpine Ski Racing division. They have their own registration and fee requirements.
