If a player is found to be participating without a number and is unable to be identified in the event of a code of conduct violation (**see Code of Conduct section**) further disciplinary actions may be imposed on the team as a whole. Each individual on the team is responsible for ensuring they have signed the Roster/Waiver and Liability of Release Form before participating.

- D. **Designated Runner Rule** – Once per inning, a runner may be replaced by any player on the team. If the designated runner is on base when it is her/his turn to bat, it will be considered an out, but the runner can stay on base. **For Co-Ed the runner being replaced must be the same gender.**
- E. **Home Run Rule** – A team can hit a max of 3 homeruns in Competitive leagues and a max of 1 homeruns in the Recreation leagues.
- F. **Home Runs** - The net is not part of the fence. ~~It is only used to stop balls.~~ If the ball hits the net it is a home run. The batter will be out on any homerun hit over the allotted number per

Adult Softball League Local Rules and Regulations

game. All runners must stay at the base they were on at the time the home run/out was hit. If a member from your team hits a homerun, they or someone from your team must retrieve the ball and give it to the umpire.

- G. **Stealing Bases** – There is no stealing allowed in either the Men’s or Co-Ed leagues.
- H. **Keeping Score** - The official game score is kept with the home plate umpire. The umpire is responsible for ensuring every run is properly accounted for and not missed. Ultimately, the umpire’s say is final and they may make any corrections required to the scorebook to reflect the accurate score.
- I. **Mercy Rule** - A game may end any time after three (3) innings, when a team is behind by (20), four (4) innings when a team is behind 15 runs and five (5) innings when a team is down 10 runs and has completed its turn at bat.

If the game is still tied after 1 inning, the game will be over and be listed as a tie. For playoff league games see “Tournament Specific Rules” section below.
- K. **Walking a Batter:** If a male batter is awarded a base on balls with none or one out, the male batter will advance to second base and the female batter is pitched to as a hitter. Any other base runners will advance accordingly as required by the male batter/runner being awarded second base. If a male batter is awarded a base on balls with two outs the male batter will advance to second base and the female batter has the option to hit or take a base on balls and advance to first base. No other runner may advance as a result of the female batter being awarded a base on balls.
- L. **Hitting up the Middle Rule:** Upon the judgement of the homeplate umpire, a “Hit up the Middle” is defined as any sharply hit ball up the middle that hits the pitcher while in a defenseless mode. The pitcher will establish a “lane” the size of their body width at the time of his/her pitch that will be considered the enforceable area for any hit up the middle violations. If the pitcher moves from the established lane any time after the pitch, the hit up the middle rule will not apply. The pitcher can make a play on the ball during a hit up the middle violation and play may continue until the umpire calls time.
- 1st Offense – Dead ball out. Both teams will receive a warning.
 - 2nd and any Subsequent Offense – Dead ball out. The batter is ejected from the game.
 - If a player is ejected from the “Hitting up the Middle Rule” he/she may be required to leave the facility at the discretion of the umpires and/or league on-site supervisors.

- E. **Solo Umpire** - In the event that a second umpire does not show by the start of the game, the second umpire fee should be given to the umpire present. The lone umpire is expected to take on more responsibility for the game and will be compensated accordingly. If the second umpire is late to the game, it will be the decision of league officials and the umpires present as to whether or not the second official will join the game and receive fair compensation. The teams are not expected to provide any further compensation towards that particular game.

CODE OF CONDUCT

- A. **Umpire or Staff Warnings** – At any point in a game, if a team or individual has verbally harassed a City of New Braunfels staff member or an umpire in any way, the official or staff member will issue a warning on the first occurrence. If abusive conditions continue the individual(s) in question will be ejected from the facility.
- B. **Ejections** - An umpire or staff member may eject any player, manager, or spectator for unsportsmanlike conduct immediately before, during, or after a game if they deem necessary.

Adult Softball League Local Rules and Regulations

- C. **Ejections/Leaving the Facility** - Any player that has been ejected from any New Braunfels league or tournament game will need to leave the facility in **two (2) minutes** (reasonable considerations will be made). **Failure to adhere to this policy will result in the current game being forfeited. Player ejections are subject to reviewal at the discretion of the Athletics Supervisor.**
- D. **"Travesty of the Game"** – The **"Travesty Rule"** may be enforced against teams that intentionally use errors or misplays for the purpose of avoiding a run rule or to intentionally extend a game. If, in the umpire's judgement, a team is making a **"travesty"** out of the game, the violating team will be subject to a 7-0 forfeit loss, regardless of the score at the time in question.
- E. **Violent Acts** - If a player or coach is ejected from a game for unsportsmanlike conduct relating to violent acts, the player will be subject to suspension of at least the remainder of the softball season. Prior to each game, all bats to be used will be required to be placed inside the "bat-check bucket" located outside the home and visitor dugout areas. Umpires will check all bats at this time. Only bats that are deemed legal will stay in the bucket and may be used in league play. Bats found to be illegal will be taken out of the

Adult Softball League Local Rules and Regulations

bucket and banned from use in any PARD softball league game. No more bats may be added once "game clock" starts and buckets will be considered "frozen". An umpire or league supervisor can question the legality of a bat at any time. When this occurs, the bat in question will be removed from the facility until it can be examined. Umpires and staff will be looking for situations in which pitchers and infielders do not have reaction time to a ball. If a bat is determined to be illegally modified or does not meet the league requirements, the owner of the bat will receive a minimum (1) year suspension from our program, the manager of the team will be suspended from Camp Comal for 7 days and the team will forfeit the game in which the incident occurred. If an injury occurs due to a direct hit, with reason, the bat will be tested automatically. Failure to allow our staff to check a bat immediately will result in suspension from the league.

FORFEITS

- A. **Forfeits** - A forfeit score will be posted as 7-0 in favor of the offended team.
- B. **No Call, No Show** – A "No Call, No Show" is when a team does not show up for a game and fails to tell the Athletic Supervisor by 4:00pm. Any team that has a No Call, No Show forfeit will have to pay a \$40 fine (\$25 umpire fee + \$15 penalty fee) and will forfeit every subsequent game until the fine is paid.
- C. **Planned Forfeits** - In the event that you anticipate being unable to make a scheduled league game, please call in to the Landa Recreation Center (830-221-4370) by 4:00 PM to inform us of your planned forfeit.

PROTESTS

- A. **Reason for Protest** - Only protests based on rule interpretation and player eligibility will be accepted. Protests based on judgment calls will not be accepted. Umpire has the final call on a rule. If a rule interpretation is protested, it will be settled the following day and handled accordingly.
- B. **Roster Protest Procedures (Regular Season)** – Roster protests will be executed in the following manner for any regular season games:
 - 1. **Time of Protest** - Protests must be submitted to the home plate umpire before the start of the 4th inning.

Adult Softball League Local Rules and Regulations

3. **Protesting Team Procedures** – The team coach or manager will inform the home plate umpire of intent to protest player(s) of opposing team. The umpire will direct the team manager to submit a protest form and \$20 cash fee with on-site staff. Staff will assist manager in filling out protest form and the protest will be submitted to Athletics Supervisor the following day for processing. A decision will be made and communicated to each team manager the following day.
 4. **Protested Team Procedures** – The protested team must comply with the protest procedure and submit the identity of any protested players by allowing staff to verify the photo ID of each individual protested.
 5. **On-Site Staff Procedures** – On-site staff will assist protesting manager in filling out protest form and will verify the identity of each individual protested. Any protested individual unable to provide a Photo ID will be deemed ineligible and the game will be forfeited at that time. Protest forms will be completed and submitted to the Athletics Supervisor the following morning.
 6. **Game/Umpire Procedures** – The game clock will continue to run and the game will continue as scheduled. Regular season protests will not be processed on-site and the game will continue “under protest” until completed. Regular season protests will be processed the next day to allow for the teams the opportunity to play the entirety of the game.
- C. **Roster Protest Procedures (Playoffs Only)** – Roster protests must be executed in the following manner for any playoff tournament games:
1. **Time of Protest** - Protests must be submitted to the home plate umpire before the start of the 4th inning.
 2. **Notification** - The team manager or coach must notify the home plate umpire of the intent to protest. This will result in the home plate umpire calling time to let both teams know that the game is under protest.
 3. **Protest Form/Fee** - Protests must be clearly written on a City of New Braunfels Official Protest Form and accompanied by a \$20.00 cash protest fee. If the protest is upheld, the fee shall be returned to the protesting team.
 4. **Protesting Team Procedures** - The team that is protesting will need to provide a valid picture ID for everyone on their lineup card. If one person on their lineup card does not have their ID with them the protest is forfeited, and the protesting team will lose their \$20.00 and the game will result in a forfeit for the protesting team. If each player has a valid form of ID, then the Field Scorekeeper will then check the IDs to match them with the lineup card and official team roster. If any of the individuals are not listed on the official roster, the protest is forfeited, and the protesting team will lose their \$20.00 and the game will result in a forfeit for the protesting team.
 5. **Opposing Team Procedures** - If the protesting team has a valid roster, the opposing team

Adult Softball League Local Rules and Regulations

will now need to provide a valid picture ID for everyone on their lineup card. If one person on their lineup card does not have their ID with them then the protest will be upheld, and the team will then forfeit the game. If each player has a valid form of ID, then the Field Scorekeeper will then check the IDs to match them with the lineup card and official team roster. If any of the names are not listed on the official roster, the protest is upheld, and the game will be forfeited, and the protesting team will receive their \$20.00 back.

- ❖ **Game Clock** - The official game clock will continue to run during the protest. If a protest is invalid the game can continue if there is any time remaining. Be mindful when you protest because it will most likely consume the entirety of the game to conduct the process.

- ❖ **Valid IDs** - A valid picture ID can be any type of identification card as long as it has the individual's name and picture clearly displayed on it. Driver's license is preferred.

CANCELLATION AND POSTPONEMENT OF GAMES

- A. **Cancellations** – Cancellations occurring before 4 PM on the day of the game will be communicated via the Rainout Line (see below). Cancellations occurring after 4 PM will result in the rainout line being updated and coaches receiving an email and/or text message or phone call.

- B. **Rainout Line** - The rainout line can be reached by calling (830)221-4376 after 4pm. It is the team manager's responsibility to contact this number for playing conditions.

- C. **Inclement Weather** – Games will be played unless weather forces the games to stop (puddles on the field, hail, lightning). Games will be played in light/mild rain. If games have not been cancelled, then the decision to play or cancel games may be announced at the field. If staff do decide to cancel at the fields, the teams playing at the later games will be contacted.

- D. **Lightning/Thunder** – If lightning is seen, heard, or staff have been alerted that there is lightning within 10 miles, games will be immediately suspended. The minimum amount of time before games can resume is 30 minutes.

- E. **Game Delays** - If a game is canceled due to inclement weather or another unforeseen event, 35 minutes and/or 3 ½ innings will constitute a complete game if the home team is winning or 4 complete innings if the home team is not winning.
