2. Teams will play best out of 3 matches. The team with the most match wins gets the overall win against their opponent.
3. Regulation game time limit is 40 minutes for the league. If the time limit is reached in the middle of a rally, the rally shall be completed. Please be courteous of teams finishing their games. If your schedule match is completed, please allow the teams scheduled after you time to warm up before their scheduled start so the courts do not get behind.

C. SCORING

2. Points are scored only by the serving team.
3. Sets are played to 11 points, win by 2. If needed the third set will be win by 1.

5. Scores shall be reported to the athletics coordinator once complete.

D. PLAY

1. Prior to the first game, one player from each team will meet to determine which team has first service with a paddle flip or coin flip. 2. All games are doubles play only.
3. Players are not allowed to substitute into a game until the end of a match.
4. The home team will start on the side of the court closest to the parking lot.

E. FOREFEITS

1. Game time is the time listed for your team on the current schedule. After five (5) minutes past the scheduled game time, the game will officially be called a forfeit if the team does not have enough players.

2. No forfeit shall be declared earlier than the scheduled game time. TWO EXCEPTIONS:
 - Team Suspension from the league.
 - Advance notification to the Parks and Recreation Department office by team manager that their team is unable to play as scheduled. This must be completed 24 hours in advance.
3. Double forfeits are not a tie game; they are counted as a loss for both teams. A full team must be present to award a forfeit to said, "winning team". If neither team has enough players present, a double forfeit will be declared. If you are the forfeiting team, you MUST notify the Parks and Recreation Department office via phone or email prior to the game.
4. Forfeiting of two (2) scheduled games may automatically suspend the forfeiting team from further league play, without benefit of a refund. This may also affect remaining league schedules, which in turn may or may not be altered. Allowing said team to continue in league play (current and future) is reviewed by the Athletics Coordinator.
5. Forfeiting a game during the regular season without following proper league procedure may eliminate your team from contention of playing in any playoff or championship games.

DETERMINING DIVISION WINNERS

The number of teams competing in the playoffs will be determined by the total number of teams in the league and will consist of a to be determined tournament format.

1. This tournament will be held the week following the last regular season night. In the event of two (2) or more teams in the same league having the same win/loss record at the conclusion of the scheduled season, the results of head-to-head competition during the regular season will be used. If still tied, the team with the least number of points scored against during regular season will be ranked above the other team.
2. Awards: The team that wins the single elimination tournament will receive championship prizes.
