

# Justice League Rules and Regulations 2026

## The Bases:

1. Tags are "permitted"
2. Plays at every base are considered a force play. This includes baserunners attempting to return to a base.
3. Runners advancing more than half-way to the next base must continue to the base they are heading to. We do not allow players to get in a pickle.
4. No touching home plate - players must run between the plate and the fence line to avoid a chance for a collision.
5. No sliding is allowed.
6. No Limit on Courtesy Runners

## Pitching:

1. With **TWO** outs: if a male player is walked, they advance to second base. The following female batter has the option of accepting a walk or batting.
2. The plate is considered a strike.
3. We begin with a count of 1 ball and 1 strike. You are allowed 1 foul ball with two strikes. Any subsequent foul ball constitutes a strikeout.
4. Pitching arc is **6' to 12'**
5. Men hit the 12" while females hit the 11". Women MAY chose to hit a 12" if they request.

## Batting Order:

1. There is **no limit on the number of batters** that a team may have in their lineup. **The batting order MUST have a female batter following a male batter. There can't be two consecutive male batters.**

## Home run fence:

2. **A team is only permitted two home runs OVER the fence in a game.** Any subsequent ball over the fence during the game is an OUT.

## General:

1. If you are arguing, then you are missing the point of this league. While we are "competitive" the purpose of this league is to bring various parts of the legal community together and provide a place to NOT engage in the activity associated with our profession.
