### FALL SPORTS ARE HERE!

E MOVE

It's Fall! That means the kickoff of youth football, volleyball and adult "Fall Ball" softball. Yes! This means sports are back!

**Recreation and Leisure Service** 

The football season opened up on Monday, September 20th. The kiddos were raring to go and excited to be out on that field playing their fall favorite sport. Whether it be flag or tackle, the kids excitement was overwhelming just to be out there playing again. Their games are Monday & Tuesday evenings and Saturdays at Eastside Fields.

Volleyball started up on the same day as football and they were just as excited to get their season going. They bumped and served their little hearts out on the court. You can tell it is going to be a fun season for them and all that come to watch. They play on Tuesday and Thursday evenings at Lawton High.

Adult softball kicked off Sunday, September 19th. They had a cram packed season but they always love to play. Congratulations to the Ballerz for taking 1st place this season!
