## Illegal Player Policy

Any coach found using illegal players on their team will be automatically suspended from coaching the remainder of the current league season. If the infraction accrues and/or is discovered at the end of the regular season or playoffs; the suspension will carry to the next coached sport. In addition to being suspended the coach may also be placed on probation. Any game an illegal player participates in will be a forfeit.

The head coach, booster club or team organizer of a team may protest the eligibility of any player on an opposing team any time during the season or playoffs. A completed protest form along with a \$50 protest fee must be filed with the Sports Office. If the protest is deemed valid, the protest fee will be returned. The Sports Division may, at any time during the season, protest any player's eligibility. All games that an illegal player participated in will be counted as forfeit by loss to the offending team. It is the coach's responsibility to ensure that all players on their team are properly registered. **Properly registered means each player has their physical (if needed), player's card, move up form, placement form and any required documentation on file at the Sports Office prior to playing in any games.** Birth Certificates may be required for players too verify correct age.
