

San Ramon Adult Softball League | Field 3 Diagram

Boundary Line: The boundary line is an imaginary line that runs in fair territory in right field. The line cuts from the light post, in front of the scoreboard and then to the track.

Ground Rule Doubles: Anytime the ball goes past the *Boundary Line* or goes onto the track by bounce or roll, the hit is a ground rule double and will be ruled a dead ball.

Home Runs: Any ball that goes over the *Boundary Line*, hits the scoreboard, trees or track (in fair territory) while in the air is considered a Home Run. A *Catch & Carry* rule is in place for right field, so players avoid running into trees or onto the track.

***There is a one Home Run limit in right field for each team. Additional would-be Home Runs to right field will be an automatic out due to the safety of individuals on the Iron Horse Trail.*

Outfield Restriction Line: For Co-Ed games, outfielders must remain behind the outfield restriction line (~150ft from home plate) until the batter swings at the pitch.

Out of Play Area: Any balls hit into the trees or on/over the dirt track in right field's foul territory is considered Out of Play. Any ball hit onto or past the cement path in left field's foul territory is considered Out of Play.

IMPORTANT NOTE: Managers are responsible for ensuring all players are aware of the objects in and around the field of play, such as scoreboard, trees, poles, grates etc.
