League Overview:

- There are divisions in the league created to match players of the same skillset together, based on self-determined skills levels.
- The league is five weeks long and you will play other doubles teams within your same division.
- You play in doubles teams that have been pre-determined during registration.
- The league will follow the official USA Pickleball Rules.
- Please be on time so you have a few minutes to warm-up and begin league play within 5 minutes of the start time.
- There is a 10-minute grace period if a full-team does not show up within 10 minutes of the official start time, that team forfeits.
- Awards will be presented to all division winner!!
- Have fun, be courteous, & enjoy the friendly competition.

Game Play:

- Your team plays for up to ninety minutes.
- Your team will play one game against the other teams in your division each week, for a total of four games each week.
- First Team to 15 points wins the game.

- Score sheets will be provided to record your final scores for your five games. It is important to record your scores accurately for your games whether you win or lose.
- Scores and rankings will be posted no later than 48 hours after play.

Self-Regulated Games:

- Each court will be self-regulated by the players. Please do your best to ensure that you are calling balls in and out of bounds fairly.
- Each team calls their own balls in or out on their own side of the court. If your team is unsure or did not see the ball, then the opponent gets the benefit of the doubt on the line calls made.
- Line calls should be promptly signaled by hand or voice, regardless of how obvious they may be.
- No player should question an opponent's call. A player should ask the opponent's opinion if the opponent was in a better position to see the call. An opponent's opinion, if requested, must be accepted.
- There will be a league manager onsite to handle any disputes or help with some games that might need assistance.
- If you feel like one team or another is not calling balls fairly, please contact the league manager to mediate and watch over the game. The league manager will have pickleball rules available if there are questions on calls.

Substitutions and No Shows:

- If a match is missed, it will not be made up.
- You are responsible for your own substitutions if one of the players on your team cannot play. You must ensure you have someone to play on your team each week. Your substitution must be of roughly the same skill level as you, which also matches your division.
- Please let the league manager know 24 hours prior to the game, if possible, of the name of person being substituted for.
Email: robertmmonroe@gmail.com
- If you cannot find anyone, please contact the league manager 48 hours prior to the game to ensure all people can play.
