### Definitions for League Play

- PITCHING – When the player is throwing the bag to the Cornhole board.
- WOODY – Any bag that has been pitched and remains on the board at the conclusion of the frame. Any bag touching or having touched the floor or ground does not count and should be cleared from the board.

- PITCHER'S BOX – The area from back edge to front edge that the player must remain in while throwing.

- FOUL – Any penalty against the player or team (Ex: Crossing the line or pitching out of turn).
  - FRAME – When all four bags have been thrown by both players on a side.
  - INNING – When all four bags have been thrown by both players from each team.
- 

## Setup/Playing Rules

All matches are self-officiated. All participants are expected to know the rules of the sport. Any dispute about a judgement call that cannot be resolved will result in the point being replayed.

- Boards are positioned 27 feet apart (front edge to front edge).
  - Pitcher's boxes will be set on both sides of the board with each team member facing each other on the same side of the boards.
  - There will be four bags (differing colors) for each team to throw. Bags are provided. Personal bags are not allowed.
  - To determine who goes first, captains will play rock, paper, scissors. Winner of this gets to choose either which side of boards to play on, or to throw first.
- 

## Scoring

- First team to reach or exceed 21 at the end of a frame is the winner.
- Cancellation scoring is in effect. (Ex: Red lands two woodies and blue lands one woody. Score = Red – 1, Blue – 0).
- If the match is tied at 21 or more at the end of the inning, play will continue until either team achieves a higher score at the end of an inning.

Ways to Score:

- 3 points awarded for any bag that completely passes through the hole.
  - 1 point awarded for
    - A bag that lands and remains on the board.
    - A bag that is hanging in the hole but does not completely pass through.
    - A bag that is hanging on the edge of the board but not touching the ground.
  - 0 points for any bag that touches the ground, that has touched the ground, or that bounces on the ground and lands on the board.
-

## Pitching Turns

- Players will alternate pitching bags until all four bags have been thrown.
  - The team that scored the most points in the previous frame will pitch first.
- 

## Fouls

- Players must stay behind the front of the board while pitching. If a player pitches while stepping in front of the board the bag will not be counted towards scoring.
  - Pitching out of turn will result in a foul bag and will not be counted towards scoring.
  - Bags in scoring position should NOT be touched until all bags have been pitched.
- 

## Reporting Scores

After each game a player from each team should report final score to the supervisor, or enter the score on the scoresheet in the notebook.

---

## Game Times Are Forfeit Times

- Games will begin **on time** as scheduled. After the first games the next game(s) may start earlier if both teams are ready and if the assigned board is available.
  - Forfeits occur only when:
    - The coach voluntarily forfeits by signing the scoresheet, or
    - No players show up.
  - If a team forfeits before the game starts, the opponent is credited with a 21–0 win.
  - If a team forfeits after the game starts, the opponent is credited with a win.
  - If a team contacts the athletic coordinator before the game to reschedule, the opposing team may choose to win by forfeit or play later (depending on availability).
-

## Illegal Players

Just don't do it!

An illegal player is:

- A player not listed on the official team roster, or
  - A player who plays down as a sub without getting approval from other team.
