- AED
  - Would prefer to rent vs buy
  - There is a company that will come out and maintain the AED for us, renting is much more economical

  - Would like to have this ready and on the fields by March
- Savannah Bananas
  - Will send out link to Executive and Aux chat so that board members can purchase their tickets before January's meeting
  - Buy for immediate family only, want to keep as many tickets available for the league as possible
  - At January's meeting we can see how many tickets we have left and then decide what we want to do with those tickets
    - Consider purchasing tickets to raffle off, 4 for Sac game and 4 for Fresno
