# SWIMMING FURTHER FASTER

SWIMMING AT THE NEW MORRIS HOSPITAL YMCA BEGINNING IN FALL 2025

## JETS Swim Clinic

One of the area's most historic youth swimming clubs, the JETS Swim Team is a year-round developmental competitive swimming program that offers instruction and training for swimmers, ages six and up. Swimmers of all ages will learn the importance of teamwork, sportsmanship, and setting and achieving goals while developing their competitive swimming skills. The JETS Swim Team supports the YMCA's mission of building strong kids, strong families, and strong communities, and our professional team of coaches strive to not only build strong swimmers but caring, honest, respectful, and responsible children and young adults.

As we prepare to open the doors to the new Morris Hospital YMCA in early 2025, this is a great opportunity for families in Grundy County to learn more about the JETS and to meet our team and coaching staff. Throughout the week, coaches will be evaluating swimmers and will be available to answer questions about the team, which will begin swimming at the Morris Hospital YMCA during the fall 2025 season.

A YMCA membership is not required to participate in the clinic.

### AUGUST 5-8

Morris City Pool  
 300 Northern Avenue  
 Morris, IL 60450

Ages 6-10 8-9 a.m.
