

Dear Valued Sponsor,

Thank you for this opportunity to continue supporting not only our league, but also the hundreds of kids that participate and look forward to playing every year.

West Boynton Football League strives to be more than just a premier youth football program in South Florida. We are a recreational league whose focus is to build character as well as promote the value of teamwork, the challenge of competition and the importance of commitment. For us to continue our mission, we need your help.

The WBFL (registration #CH23041) is a 501c non-profit organization run entirely by volunteers and relies solely on the generous donations from business leaders such as yourself. All donations are tax deductible and go directly toward improving our children's experience. Please review the included sponsorship levels and choose one that best fits you and your company. If there is a level that is not presented, please ask and we will do our best to accommodate your interests.

Thank you in advance for your help. Along with your sponsorship benefits, you will receive a consistent audience of hundreds of people within our community and thousands of potential customers/clients. Our league needs business leaders like you for the continued success and longevity of our league. Your help is an investment in our kids and your business, making it a win-win!

Your support of our efforts is greatly appreciated!

Sincerely,

The WBFL Board of Directors
