1. Teams should be prepared to begin at the scheduled starting time. Infield practice will only be permitted if time is available for both teams before scheduled start.
2. If an umpire fails to show up for your game, teams should play the game as scheduled. Score of the game will count.
3. If a game ends in a tie after 7 innings and, in the judgment of the umpire there is time to play additional innings, those innings will be played in a "one-pitch" format. Batters will come to the plate with a 3 and 2 count.
4. To complete as many innings as possible please cooperate in keeping the game moving.
5. The home team is responsible for providing the umpire with game ball, one 12". **Hillsboro Parks and Recreation will provide home game balls prior to the season start. Each team will provide a used ball as a back-up for their own team.**

For teams batting their roster, a player other than the pitcher inserted into the defensive line-up must remain on the field until three outs have been secured. Likewise, if a player leaves during the game he will be crossed out of the line-up without penalty. However, a player who leaves the game cannot re-enter the game. If a player leaves the game from a base, there is no out, but there is also no replacement runner. If a team was batting their roster with the wheel, then there would be no out.
9. **Courtesy Runner:** A courtesy runner is any player who runs for a runner without a charged substitution. Each team may designate one (1) player, of each gender, who may use a courtesy runner throughout the game. The designated player may be named before or anytime during the game. The umpire must be notified that a courtesy runner will be used. The courtesy runner will be the last person to have made an out. **Note:** On an awarded base, player need not advance to base before change in runner is made.
10. There will be a 10-run rule after 5 innings. If a team is ahead by 10 runs or more after 4 1/2 or 5 full innings of play, the game will be over.
11. **Line-up cards:** Umpires will be responsible for turning line-up cards into the concession stand at the end of the night. Teams must have cards ready to give to the umpire prior to the start of the game. Please use player first and last name on line-up card. Extra cards will be available at the concession stand.

- b. If the act is committed by a player remaining at bat, that player will be called out.
- c. If the act is committed by the defense, the first batter in the next inning will be out.
- d. The outs will be treated as a delayed dead ball situation.
