- 6.1.6 Example. 3 teams splitting, numbers 1 through 3 are placed in a hat. The coach that draws 1 will pick first in the first round. The coach who draws #2 will pick 2nd in the first round, etc.
- 6.1.7 If there are 2 teams splitting, the teams will alternate picks until all players are selected.

- 6.1.25 Example: Team A has 20 returning players, Team B has 17 returning players. There are 9 new players to be placed. Team A and B will alternate picks until there are 3 players remaining. Those last 3 remaining players will be on Team B to even up the numbers on each roster.

Addendum A

Summer/Pre-season Camps:

Each CBYF member may hold one summer/preseason camp. These camps can be held prior to the first official CBYF practice date. These camps are often hosted/run by the High School program. These camps will be non-contact, and will focus on conditioning, and football fundamentals. The camps must be open/available to all registered players within a junior program. Summer/preseason camps must be limited to 4 days in length, and a maximum of 3 hours per day.

A camp is defined as an organized practice session where more than 8 players get together with a coach or coaches to work together on football skills. This would include any summer conditioning program or summer practice program that is organized by a CBYF member Jr program or one of their coaches.
