NCPRD NIGHTS

Come one, come all and join us for NCPRD Nights with the Portland Trail Blazers.

Rip City needs your energy as your Blazers take on the Atlanta Hawks and the Washington Wizards! Aside from the game, every purchaser through this link will have the opportunity to come in early and watch warmups up close along with coming down on the court post-game to shoot a free throw.

You won't want to miss this! A portion of each ticket supports the NCPRD Scholarship Fund.
