HOW WE OPERATE

School-based Teams: Teams are organized based on grade and school. Schools may be combined to make full teams. At the high school level, athletes can request a coach or another athlete.

Athlete Focused: Each athlete's skill set is unique. Hoopers is designed to help athletes take ownership over their development and improvement in a supportive environment. All athletes have equal opportunity to play regardless of skill level.

Volunteer Coaches: Hoopers Basketball program relies on the dedication of volunteer coaches (two coaches per team). Volunteers must pass a background check, complete concussion testing, and attend a pre-season meeting. Coaches are provided example practice plans and grade-related goals. For additional support, coaches can attend an optional clinic.

To volunteer, register online at ncprdsports.com or email sports@ncprd.com for more information.
