

Determine Organization for CYC South Central Athletes

Eligibility for a CYC team is determined from the Parish of Residence, Parish of Registration, or School. Where possible, we expect a young athlete to play for the same athletic program unless there is a change in one of the three qualifiers. The following table documents where we typically expect an athlete to participate. Variances from the table require approval from the CYC South Central

The Parish of Residence is determined from your address and zip code using the Archdiocesan Parish Finder whose web address is <https://www.archstl.org/find-my-parish>

When an organization cannot sponsor a team for a grade/gender, we form teams by merging athletes from multiple organizations. The column labeled "Preferences for Team Merges" documents typical team merges which are based on school or organization.
