## Competitive Player Commitment Form

In accordance with OSA Competitive Policies and Procedures Players, a player must be registered, fees must be paid, and the commitment form must be completed. The player is registered from the moment the player or the player's guardian completes the Registration Form and pays the appropriate dues.

Once all requirements are met, the player must complete the seasonal year. The player is *obligated* to the team for the seasonal year (Fall and Spring). The player is then subject to the US Youth/OSA transfer policies. This commitment is fulfilled upon completion of the last US Youth/OSA event for which that team is available.

No player may be registered with another Competitive or Recreational Club who has an outstanding commitment or obligation to another Competitive Club.

It is recommended clubs maintain a copy for each player. OSA requires this form to complete registration.

By signing this form, I acknowledge that I have no remaining obligation to any other Club. I also acknowledge if any obligations aren't met I will be removed from the team until they have been fulfilled.

I acknowledge that I have read and understand the above.

**The Player, Team and Club:** Once you commit to join OKC 405 FC, you are part of the club, not just one team. Members of OKC 405 FC agree to put the club ahead of the team. Although in most cases you will play on one team the entire year, you could be asked to play on another team during your membership. Club decisions will be made by the appropriate member of the OKC405FC staff. Players are also expected to be committed to the club for the entire seasonal year.

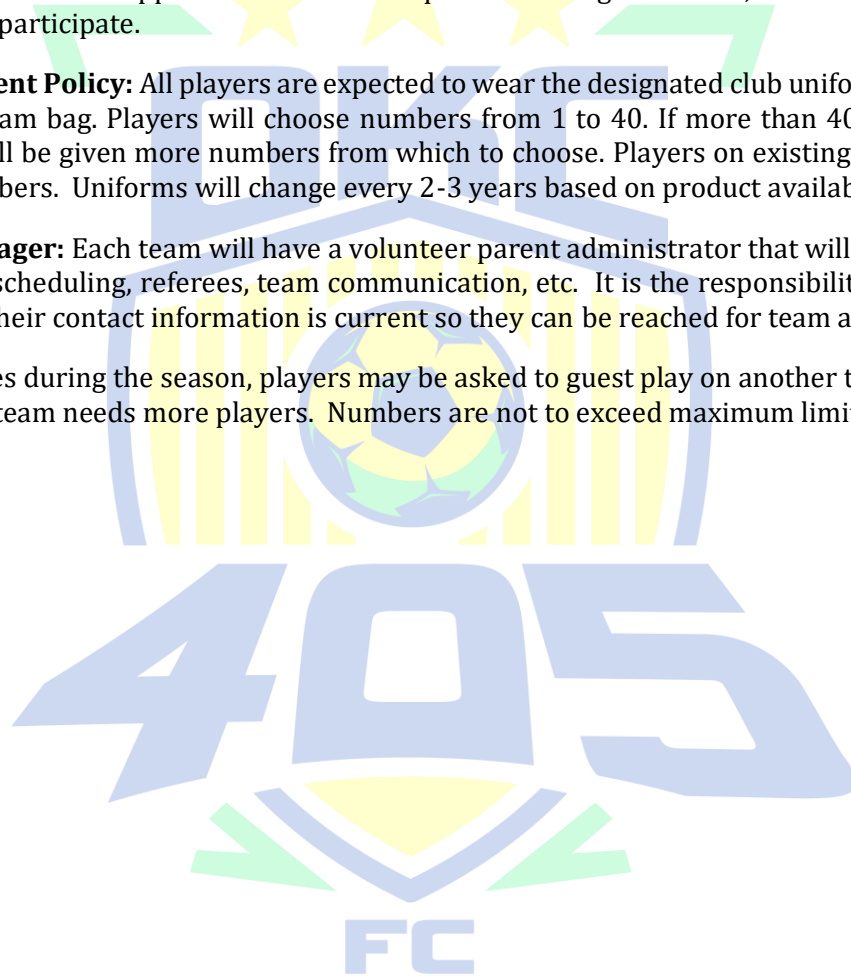

**VOLUNTEER COMMITMENT:** Each family (even if you have more than one player in enrolled in soccer) is required to commit five (5) hours during the fall/spring as a volunteer in support of Club events/tournaments. There are several ways to cover this commitment.

**Field Marshall:** These hours are tracked, and it is your responsibility to ensure proper credit is received. Volunteers are not automatically assigned to any event. Prior to an event, a request for volunteers will be sent by email. Volunteer opportunities do not require knowledge of soccer, but volunteers must be over 16 years of age to participate.

**Uniform and Equipment Policy:** All players are expected to wear the designated club uniform and warm-up as well as use the provided team bag. Players will choose numbers from 1 to 40. If more than 40 players exist in an age group, then players will be given more numbers from which to choose. Players on existing teams retain priority in choosing uniform numbers. Uniforms will change every 2-3 years based on product availability

**Volunteer Team Manager:** Each team will have a volunteer parent administrator that will assist the coach in team management, such as scheduling, referees, team communication, etc. It is the responsibility of the players and the parents to make sure their contact information is current so they can be reached for team and club communication.

**Guest Players:** At times during the season, players may be asked to guest play on another team for league play or a tournament when the team needs more players. Numbers are not to exceed maximum limits

# OKC 405 FC Player's Code of Conduct

The OKC 405 FC sponsors youth soccer activity with the goal of providing children an opportunity to develop superior life skills through team play, sportsmanship, top competition, and hard work. An emphasis on fair play and respect for all participants is a primary element of our OKC 405 FC's mission. To better achieve that mission, we provide the following Codes of Conduct for all OKC 405 FC players.

As an OKC 405 FC player, I will:

- Play the game for the game's sake, and not just to please my parents or coach.
- Be modest and generous when I win and gracious when I lose.
- Respect the game of soccer and its laws, learn these laws, and try to follow them, and play the game fairly.
- Work for the good of my team and always give my best effort.
- Show respect for the authority of the referee, even though I will sometimes disagree with their calls.
- Show good sportsmanship before, during, and after games. I understand that soccer is a game, and that the players on the other team are my opponents, not my enemies.
- Conduct myself with honor and dignity and treat other players as I would like to be treated.
- Help my parents and spectators understand the laws of the game so they can watch and enjoy the game better. I will be sure they understand that dissent is not permitted in travel soccer leagues.
- Control my temper and not retaliate, even if I believe I have been wronged.
- Not use or possess tobacco, alcohol, or illegal or performance-enhancing drugs.

I have read, understand, and hereby agree to abide by and support this OKC 405 FC Player's Code of Conduct.

# OKC 405 FC Coach's Code of Conduct

The OKC 405 FC Coach's Code of Conduct enumerates basic requirements, organized under four principles. They are 1) setting a good example, 2) keeping players safe, 3) ensuring that all participants in OKC 405 FC have a positive experience, and 4) relating to game officials in an exemplary manner and encouraging players to do the same.

**Setting a good example.** The coach's example is powerful. If a coach insists on fair play, concentrates on players' enjoyment of the game and their overall, long-term development, and supports the referee, players and parents will notice. If a coach discourages (or allows) players to play outside the rules, are overly concerned about the results, and/or criticize the referee or opposing coach, players and parents will also notice. Above all, children deserve a coach they can respect.

- Coaches, in all contact with OKC 405 FC players, parents, officials and coaches, should strive to set an example of the highest ethical and moral conduct. Before, during, and after the game, they should be an example of dignity, patience, and positive spirit.
- Before games, opposing coaches should meet and exchange greetings to set the proper tone for the game. After games, the teams and coaches should meet and congratulate each other in a sportsmanlike manner.
- Coaches should ensure that their players' soccer experience is one of fun and enjoyment, and improvement in skill (winning is only part of it). Players should never be yelled at, lectured, or ridiculed for making mistakes or losing a game. Coaches should be generous with praise when it is deserved.
- Coaches should avoid any conduct which could be construed as physically or verbally abusive.
- Coaches should completely refrain from verbal dissent during a game with an opposing coach's bench.
- Coaches should honor all professional relationships with colleagues, associations, the media, officials, and the public. Conflicts of interest and exploitation of these relationships must be avoided.

**Keeping players safe.** Coaches should always have the safety of the players as their top priority. Coaches should be familiar with the facility(ies) and fields on which their teams' practice and play and be mindful of the levels of fitness and skill of each one of their players. Coaches should also be familiar with the Laws of the Game, current with principles of age-appropriate coaching, aware of applicable existing rules and regulations, and informed of the affairs of OKC 405 FC and their league.

- Coaches should check players' equipment and playing facilities frequently. They should meet safety standards and be appropriate for the age and ability of players.
- Coaches should follow the advice of a physician when determining when an injured player is ready to play again. During a game, and in an absence of medical advice, coaches should err on the side of caution in permitting an injured player to return to play.

**Creating a positive experience.** OKC 405 FC wishes to ensure that games are fair, positive, and enjoyable experiences for the children and adults involved. A soccer game should be friendly and unifying - a spirited social and athletic occasion for players, coaches, referees, and spectators.

- Coaches should require all players and spectators to always adhere to the highest level of sportsmanship. During the game, the coach is responsible for the sportsmanship of the players. If a player is carded or is disrespectful, irresponsible, or overly aggressive, the coach should remove the player from the game at least long enough for him/her to calm down.

- Coaches should explain acceptable behavior to players and parents at a preseason meeting. Encourage parents to make positive comments about good play by either team. Prohibit them from yelling at players and the referee.

**Relating to officials.** Coaches should demonstrate respect for the official and their role. Coaches can help referees improve by letting them concentrate on the game, accepting their inevitable, occasional mistakes, and offering constructive post-game comments.

- Before a game, coaches should introduce themselves to the referee. During the game, they should never address the referee except to request a substitution. After the game, they should thank the referee and ask players to do the same.
- A small disagreement should be discussed with the referee calmly after the game. For major complaints, or if the referee appeared to be unfair, biased, unfit, or incompetent, report opinions to the Director of Referees. Fill out and mail in the referee evaluation card after every game.

I have read, understand, and hereby agree to abide by and support this OKC 405 FC Coach's Code of Conduct.
