- ❖ Must have a rational amount of knowledge of the game of baseball.
- ❖ Will be an outstanding role model for leadership, sportsmanship, and overall good conduct to his/her team at all times.
- ❖ Will show importance of coaching on learning regulations, basic fundamentals, encourage participation, and personal growth.
- ❖ Each team may have a head coach and as assistant coach who are 18 years of age and older.

## Equipment & Uniforms

- ❖ Will be given to each coach before the start of the season. The team is required to wear the given uniforms which include: Jerseys & Hats. All teams must wear the uniforms to each game.
- ❖ Baserunners and batters are required to wear protective helmets all times during practices and games.
- ❖ Each team will provide the umpire with game balls prior to the start of the game.
- ❖ Players may not wear objects which may cause injury or give an artificial advantage to the player. No jewelry allowed. The head coach is responsible for ensuring that all players are compliant before stepping onto the field.
- ❖ Each player must provide their own glove; individual bats and balls are optional.

## Game Time

Games will start at their scheduled time, however if a team is late or does not have enough players to start, a 10-minute grace period will be allowed. A team must have 7 registered uniform players to start the game. The umpire's watch is official.

## Forfeit Policy

A game will be considered a forfeit if a team has less than 7 legal players present on the field at game time and after the grace period is over.

## Weather Policy

The Site Coordinator or Recreation Program Coordinator has the final say on whether a game will be suspended or postponed due to weather conditions or poor field conditions. For the full weather policy

# T-Ball League Rules

---

## General League Rules and Field Dimensions

- ❖ Each game will have a 50-minute time limit. Both teams will bat through their lineup until as close to game time as possible. If the score is tied at the end of the 3 innings and/or time, the game will be finished and ruled a tie.
- ❖ Max roster size is 12 players.
- ❖ Bases are 40 ft., while the pitching rubber is at 35'.
- ❖ Batting arc: a white line will be measured 20' from home plate. The line will arc from the first base foul line to the third base foul line with all parts of the line 20' from home plate.
- ❖ Each player must play at least 1 inning in the outfield and 1 inning in the infield. Coaches will do their best to rotate players in and out.

## Batting Rules

- ❖ All players shall bat each inning of play. The same number of batters will bat for each team each inning.
- ❖ Each player batting and base running must wear a batting helmet.
- ❖ If the number of players on each team is the same, both teams will bat their entire lineup each inning from batter 1 on the score sheet through the end of the lineup. All players bat each inning.
- ❖ The total number of batters will be increased if additional players arrive and will be decreased should players become unable to continue to play. Late arrivals will be added to the end of the lineup. If a player should become unable to bat, his/her position is skipped in subsequent rotations.
- ❖ When the last batter for the side comes to the plate, it is the batting team's coach's responsibility to notify the umpire. The umpire will then notify the teams.
- ❖ The ball will be placed on the T-stand by the coach. The coach will use their own judgement on whether the height of the tee needs to be changed on an individual basis.
- ❖ In T-Ball the batter will be allowed five (5) attempts to hit the ball before they are out. A strike is called if the batter swings and misses the ball, hit foul and/or the ball rolls dead before crossing the 20' line.
- ❖ No coaches are allowed in the batter's box.
- ❖ When the last batter in an inning is up, the home (batting coach) must notify everybody of this. The last batter must reach base safely in order for any other runner to advance or score.

## Fielding Rules

- ❖ There can be 3 coaches in the outfield when their team is on defense.

- ❖ A team can have, at most, 6 infielders with the remaining players placed in the outfield. The player in the pitcher's position must keep one foot on the pitching rubber until the ball is hit.
- ❖ If a fielder charges a ground ball and handles it before it reaches the 20' line, the ball is dead, and the play is replayed. There is no strike.
- ❖ Fly balls can be caught anywhere on the field for an out.
- ❖ There is no infield-fly rule.
- ❖ When returning the ball to home, the infielders may not run the ball past the 20' line. They may run in as far as the 20' line, but at that point the ball must be thrown to the player in the catcher's position. The player in the pitcher's position may back up the catcher at home. If a fielder runs the ball home to tag a runner advancing from third, the runner cannot be tagged out and will score. If a fielder runs the ball home to stop play on the last batter, any runners advancing from second or third will score.
- ❖ When a player comes up to bat, all defensive players must play within a reasonable distance from the normal positioning.

### Base Running Rules

- ❖ Runners must be halfway to a base before being awarded that base.
- ❖ A runner must touch home plate when scoring.
- ❖ Runners are not permitted to lead off of the base or steal. Runners illegally leading off or attempting to steal will result in an out.
- ❖ When a fly ball is caught and the runner has left base without tagging after the catch, the ball can be thrown to the base for the out. However, once the ball has been thrown past the 20' line, it is a dead ball and cannot be thrown back out to any base. The catcher may still attempt to tag out the runner at home. Once the play is dead, any runners who did not tag up before advancing are returned to their base provided, they were not legally tagged out.
