Aubrey Perez

Hi! I'm Aubrey Perez. I'm 15 years old, from Greeley, Colorado, and I'm about to start my sophomore year at Greeley West High School. I grew up in a huge sports family—my dad coaches soccer, both of my older brothers played in college, and my mom is always driving us around, bringing snacks, and cheering the loudest. Sports have always been a huge part of my life. During my freshman year, I was a varsity starter in three different sports. I even earned All-Conference honors in softball and made it to the State tournament for discus. For me, sports are all about having fun with my teammates and having a good outlet. As a coach, I want to give that same experience to younger kids. I want to help them learn the game and get better in a fun, super supportive environment.
