PARENTS

SUPPORTING YOUR CHILD IN POSITIVE WAYS

Your encouragement means more to your child than you may realize. A smile, a cheer, or a simple “I love watching you play” helps players stay motivated, especially when they’re struggling with something new. We do ask that parents leave the technical coaching to the coaches during games—kids can get overwhelmed listening to too many voices at once. Your positive encouragement from the sideline helps keep the environment fun and supportive.

It also helps to send your child with a water bottle so they can stay hydrated. Proper shoes with good grip are important too, especially for avoiding slips on the volleyball court or on our soccer fields!

SOCCER PICTURE SCHEDULE

We will be holding Picture Day for Soccer only on Saturday April 18th! No picture forms are needed. Individual photos will be taken and then composited into one team photo (no group team photo will be taken). After picture day, the photographer will edit all photos- this process make take a few weeks. Each athlete will receive a team card with instructions on how to register for your team’s online gallery. You will receive an email notification once photos are ready to view and purchase. Orders are completed online. A photo trailer will be parked outside on the southeast side of the Milliken Athletic Complex. There will be signs that will guide your team to the trailer!

If you do not see your coaches name on the schedule, you will be taking pictures on May 2nd. The May 2nd picture schedule will be sent out next week. A reminder that there are NO make-ups. Picture Day is optional.

WEATHER UPDATE

As we gear up for our upcoming games this weekend, we’re excited to see everyone out on the field! With cooler temperatures expected in the morning, we encourage all players and families to come prepared by dressing in warm layers—jackets, hats, and even a cozy blanket can make a big difference in staying comfortable and enjoying the day.

We also recommend keeping an eye on the rainout line for any potential updates due to weather conditions. Your flexibility and preparedness help ensure a smooth and enjoyable experience for everyone.
