

RBSL Game Reschedule Process

Rain out reschedule:

- Rainouts will be rescheduled no sooner than 48 hours after the rained out game.
- Mass notification will be sent out via email from Team Sideline Website.

Coach initiated reschedule:

- All reschedule requests must be made to the league director (Jack McLain) via email a minimum of 72 hours (3 days) in advance of the scheduled game.
- All requests inside the 72 hours (3 days) will be a forfeit.
- Reschedule must be accepted by both coaches and the league director.
- Coaches wanting to reschedule a game must follow the following steps:
 - Contact the league director about requesting a reschedule
 - Contact the opposing team's coach about rescheduling the game
 - If your opponent is willing to reschedule, view the schedule and find an open date for the reschedule.
 - If your opponent does not agree to the reschedule it will be a forfeit.
 - Email the league director with the agreed on date and time.
 - Final Approval: once the league director has approved the reschedule an email will be sent and the online schedule will be updated.

NOTE: The best way to reduce the need to use the Game Reschedule Process is to provide your list of conflicts to the league director before the season starts when possible.

NOTE: We will do our best to accommodate everyone's requests but not all will be granted. Field and date availability are limited.
