LIBERTY PARKS AND RECREATION MISSION STATEMENT

Liberty Parks and Recreation is powered by a team of dedicated professionals who are committed to community impact, improvement, and innovation. We believe that creating community connections by providing the highest quality parks, programs, services, and facilities is essential to a prosperous and healthy community

Objectives and Goals:

The Liberty Parks and Recreation Youth Intro to Competitive Baseball and Softball program is designed to give all boys and girls, through participation in practices and competitive games, the opportunity to learn and improve the fundamentals of the game of baseball or softball.

Coaches:

- Shall, above all, have the welfare of each child as his or her main objective.
- Must have reasonable knowledge of the game.
- Shall act as an example of good conduct and sportsmanship to his or her team in all league matters.
- Shall place emphasis of coaching on learning rules and fundamentals, participation, and personal enjoyment.

Sportsmanship:

Team members, coaches and spectators shall exhibit appropriate behavior toward other players, coaches, spectators, and officials. Unsportsmanlike conduct from team members and/or associates, including spectators, will result in one or more of the following:

- Player, coach or spectator ejection from the game
- Player, coach or spectator ejection from the league
- Player, coach or spectator suspension
- Forfeit of game

During the game, the officials have the authority to eject players, coaches and spectators. The Parks and Recreation Department has the final authority on determining the duration of suspension or other penalty. Any player (if he/she has a way home) and/or coach ejected from the game must leave the playing area. Failure to do so may result in forfeit of game. Anyone ejected from a game will be suspended for the next game.

Administration:

The Liberty Parks and Recreation Department facilitates the youth baseball and softball program. Decisions that are rendered by the Parks and Recreation Department are final. The USSSA Baseball and USA Softball Rule Books are the governing body of rules for our leagues unless superseded by specific youth baseball and softball program rules as set forth by the Liberty Parks and Recreation Department.

Protests:

Officials' decisions in all matters are final. There shall be no protests except in cases of violation of the minimum playing requirements. Intent to protest must be so noted in the score book by an umpire at the request of the coach within five minutes of the conclusion of the game. The protest must then be reported to the Parks and Recreation Department by the protesting coach the next working day. Report may be made in person or by phone.

Uniforms & Equipment:

- Required uniform consists of a baseball cap, shirt with number, and pants. Player names may appear on the uniform. Uniform shirts shall be the same color.
- Batters and base runners are required to wear approved head protection. Helmets with ear covering at all times during games will be required. Umpires are instructed to rigidly enforce this rule. **Tennis shoes or non-metal cleats are to be worn.**
- Game balls are provided by LPR for each game.
- Each player must provide their own glove and are encouraged to have their own individual bat and helmet.

Game Time:

Games will start promptly as scheduled. A 5-minute grace period is allowed from the scheduled starting time before a forfeit is declared. Time begins after the 1st game pitch. The umpire's watch is official.

Weather Policy:

The umpire/supervisor has final say on whether a game will be temporarily suspended or postponed due to weather conditions or poor field conditions. If lightening is in the immediate area, the game shall be suspended immediately.
