Mentorship Contract Agreement for Qualifying Veteran Officials

The 2024 budget was approved earlier this month by the Board of Commissioners. A noteworthy item included in the budget was a \$2 pay increase for all veteran officials who have officiated for the Minneapolis Park & Recreation Board for a minimum of five years. This will be effective beginning January 1, 2024, per submission of this contract agreement.

All eligible officials who qualify for this pay increase will need to provide and agree to their years of service and accept all additional responsibilities as assigned. This may include mentoring less experienced officials, answering questions, working any level, completing online evaluation forms, being a helpful and knowledgeable resource for officials and park staff, conduct research on rule clarification or proper mechanics, create or share training materials, course and certification recommendations, etc.

This form is required to be submitted to authorize your pay increase. Retroactive pay does not apply.

Failure to provide accurate and truthful information will result in the immediate termination of your contract.
