

2022 MPRB Youth Basketball COVID-19 Safety Procedures

Masks are required at indoor games and practices when not competing on the court of play. Masks are required to be worn when participants are on the bench and not practicing or competing.

Arriving and Leaving Facility-

- Face coverings are required in all MPRB facilities.
- All participants arriving at the facility will be required to self-check their own temperatures prior to coming to their match or practice.
- All individuals arriving at the facility will be required to be cold/flu/COVID-19 symptom free for 14 days prior to entrance
- At the end of practice/match participants should leave the court in a timely fashion and not congregate outside or inside the facility.

Coaches –

- Face coverings are required (during practice and games) while coaching.
- Conduct daily symptom check of self and stay home if experiencing symptoms.
- Take attendance each practice and game and keep record in the case MDH needs it for tracing.
- Must refrain from physical contact with athletes and other coaches.

Players –

- Face covering are required when sitting on the bench and not on the court of play during practice/games.
- Players are recommended to wear a face covering while competing but not required.
- Refrain from contacting other participants (high fives and handshakes).
- No sharing of water bottles.
- Try to maintain 6 feet of distance whenever possible.

Spectators –

- Spectators are allowed to attend games and will be required to wear masks.
- It is recommended that spectators from different households socially distance.
- Spectators are not allowed in gym during practices.

- **When an Athlete has a lab confirmed COVID-19 test result**
- Parent/Guardian of Player must contact their parks Recreation Supervisor or Volleyball League Director.
- Certified Recreation staff contacts MDH 651-201-5414 and informs them of a confirmed COVID-19 case.
- Certified Recreation staff will contact the team coaches and parents of potential exposure during a practice or game.
- Any team exposed through practice or game will be put on hold until the Department of Health has traced the potential exposures and given their guidance on further team activities.
- Certified Recreation staff will inform supervisor and Athletic Program Manager of exposure.
