Girls Sports Sampler Camp

The Play Bold camp provides girls of all athletic abilities with the opportunity to learn, play, grow, and have FUN through various sports and leadership activities. Our program is open to girls of all experience levels and no equipment is necessary for them to register. Our goal is to help girls develop their athletic abilities, while also having fun and teaching them important leadership skills that they can apply both on and off the field. Girls will participate in a wide range of sports and they'll have the opportunity to learn valuable team-building and communication skills. Our experienced coaches and staff are dedicated to creating a positive and supportive environment where girls can thrive, build self-confidence, and make lasting friendships. We look forward to having you join us!
