

Minnesota Women's Broomball Program (MWBP)

Indoor pickup broomball

Do you love broomball? Are you sad outdoor broomball season will end?

We want you to join MWBP indoor pickup broomball!

MWBP is a local organization that supports women and NB athletes learn, grow, and share the love of broomball all year round. MWBP is committed to creating an inclusive development space for athletes to advance their game at any level.

How Pickup works

1. Players of all levels compete in mixed ability scrimmages. In any pickup scenario, there could be beginners side by side with elite players. This is intentional, and supports everyone's development and is a lot of fun. (Poor sportsmanship is not tolerated).
2. Pickup broomball is low pressure, low cost, and low commitment. We are confident that the experience will speak for itself. Indoor broomball in a women's centering environment allows individuals to grow as a player. Cost to participate is \$12/person.
3. Signups are taken via email on a first come, first served basis until the scrimmage is full

Come take a peek at what Minnesota Women's Broomball Program has to offer. We currently have players from 18-65+ who range in ability from couch potato to former Olympians. There is space for you to find your people within the sport.
